Dedication to Mr. Garlough

MR. E. G. GARLOUGH, B.A.

With the closing of this term, Mr. Garlough completes 35 years of teaching. During that time he has taught at four schools and has had, in his various register rooms, nearly 1,200 students.

He began life in the eastern part of Ontario in a small town called Morrisburg. There he obtained both his elementary and high school training. Immediately following this he went to Ottawa, where he graduated from normal school.

It was at this time that Mr. Garlough set his sights on Alberta and after arriving here, he worked at jobs for a year and then went into the army. On entering the militia, he served in the Fourth Division in France and Belgium where he won the Military Medal. He is exceedingly proud of the fact that he won this honor while still a private.

February 1, 1920 found Mr. Garlough in his chosen profession. Teaching in a small district near Wetaskiwin, he spent five years actively involved in various sports. He also obtained his B.A. while teaching there. It wasn't until he came to Edmonton that he became interested in curling.

Mr. Garlough related that in Edmonton he served for three years as Assistant Principal at H. A. Gray School in 1928, going to McDougall Commercial School with Mr. Page. 1947 brought

him an Assistant Principalship at this school. In 1949, when Vic and McDougall amalgamated, he retained his position as Assistant Principal of the Commercial Division. He still holds this office.

During his later years, Mr. Garlough became actively involved in coaching curling teams. His efforts here at Vic have definitely been appreciated. He has coached five teams to city championships, one to the Northern Alberta Championship, and his teams have won the Corner Drug trophy three times. One of them also placed second in the T. Eaton competition, the Northern Alberta Men's Championship.

When asked if he had any particular thing to say to the students, Mr. Garlough said, "I wouldn't have missed my experience with the boys and girls through the past 35 years. For the most part I have enjoyed it all". He went on to say, "Teaching is something like being in the army. It is an experience that you wouldn't trade for a million dollars, but you just wouldn't want to go through it again . . . I have enjoyed my association with the teachers on the various staffs".

This indicates Mr. Garlough to be one of Vic's well-liked and respected teachers and we feel certain that next year, when he doesn't return, a real part of Vic's spirit will have gone with him.

This year, 1955, Alberta celebrates her golden jubilee. She is a province having the respect of her people, of Canada, and the world. The old machinery was good machinery.

It is a serious thought that we, as grads, have the responsibility of creating new machinery as it is needed, and handling it. We must strive to increase the wealth of Alberta not only in money, industry and agriculture, but also in scholarship, culture and character. Let us not be found wanting.

U.S. General Douglas MacArthur outlined his creed for living in a speech marking his 75th birthday January 26th, in Los Angeles.

Youth is not entirely a time of life—it is a state of mind. It is not wholly a matter of ripe cheeks, red lips or supple knees. It is a temper of will, a quality of the imagination, a vigor of the emotions, a freshness of the deep springs of life. It means a temperamental predominance of courage over timidity, of an appetite for adventure over love of ease.

Nobody grows old by merely living a number of years. People grow old only by deserting their ideals. Years may wrinkle the skin, but to give up interest wrinkles the soul. Worry, doubt, self-distrust, fear and despair—these are the long, long years that bow the head and turn the growing spirit back to dust.

Whatever your years, there is in every being's heart the love of wonder, the undaunted challenge of events, the unfailing appetite for what next, and the joy and the game of life.

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. In the central place of every heart there is a recording chamber; so long as it

receives messages of beauty, hope, cheer and courage, so long are you young.

When the wires are all down and your heart is covered with the snows of pessimism and the ice of cynicism, then, and then only are you grown old.

College Education Leadership Training

*the career opportunity of the year
for high school students*

High School Students may now get a free college education while qualifying for the Queen's Commission in the Navy, Army or Air Force, under the Regular Officer Training Plan.

Successful candidates will attend Royal Military College, Royal Roads, Collège Militaire Royal de Saint-Jean, or designated Canadian universities, as cadets in the Regular Forces.

They will receive service pay plus board and lodging, plus tuition costs at college, will take paid training with their chosen service in summer months and on completion of academic courses, serve Canada as Regular Force officers with the option of release after three years.

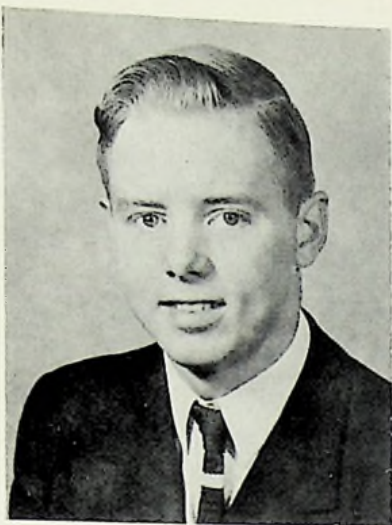

Applicants must have Senior Matriculation or equivalent, except for Collège Militaire Royal de Saint-Jean, where requirement is Junior Matriculation. Age limits for Collège Militaire Royal de Saint-Jean are 16 to 20 on 1st January of the year of entrance, for all others 16 to 21 on 1st January of the year of entrance. Applicants must be single, physically fit, and meet officer selection standards.

For full information write to the Regular Officer Training Plan Selection Board, National Defence Headquarters, Ottawa, or to any of the following:—

V.C.H.S. PUBLICATIONS

While keeping pace with the rapidly growing enrolment of the school, publications have found it necessary during the past years to make several important changes. These changes were needed in order that the students be provided with as good a high school paper as was physically possible.

Indications in the past few years have shown that the Argosy is steadily becoming a paper of very high calibre. Two years ago it was awarded the Second Place International Award for outstanding achievements in scholastic journalism. The award was presented by the Quill and Scroll Society of America, of which the Argosy is a member.

During the last few years a new Publications Constitution was incorporated which made the machinery of the organization much more efficient and at the same time gave the students considerable more independence. It also increased greatly the training opportunities for those interested in journalism and all the fields connected with it. These various branches include: business, which is primarily concerned with advertising techniques; newspaper photography, including the actual taking and developing of the pictures, and, of course, writing and composition. Many students were afforded the chance to do administrative work. These students who were holding

executive positions were given a staff of their own and a chance to direct it efficiently. In these ways publications provided an excellent training ground for business management and journalism.

This year saw publications grow to the point where the job of directing the organization was too large a task for any one person. As a result, separate editors were appointed for the Argosy, the Argo, the Handbook, and the Yearbook.

Changes were also made in the publications themselves. This year, for the first time, the Argo—a news bulletin—was inaugurated. Its purpose was to keep the students up-to-date on current school activities.

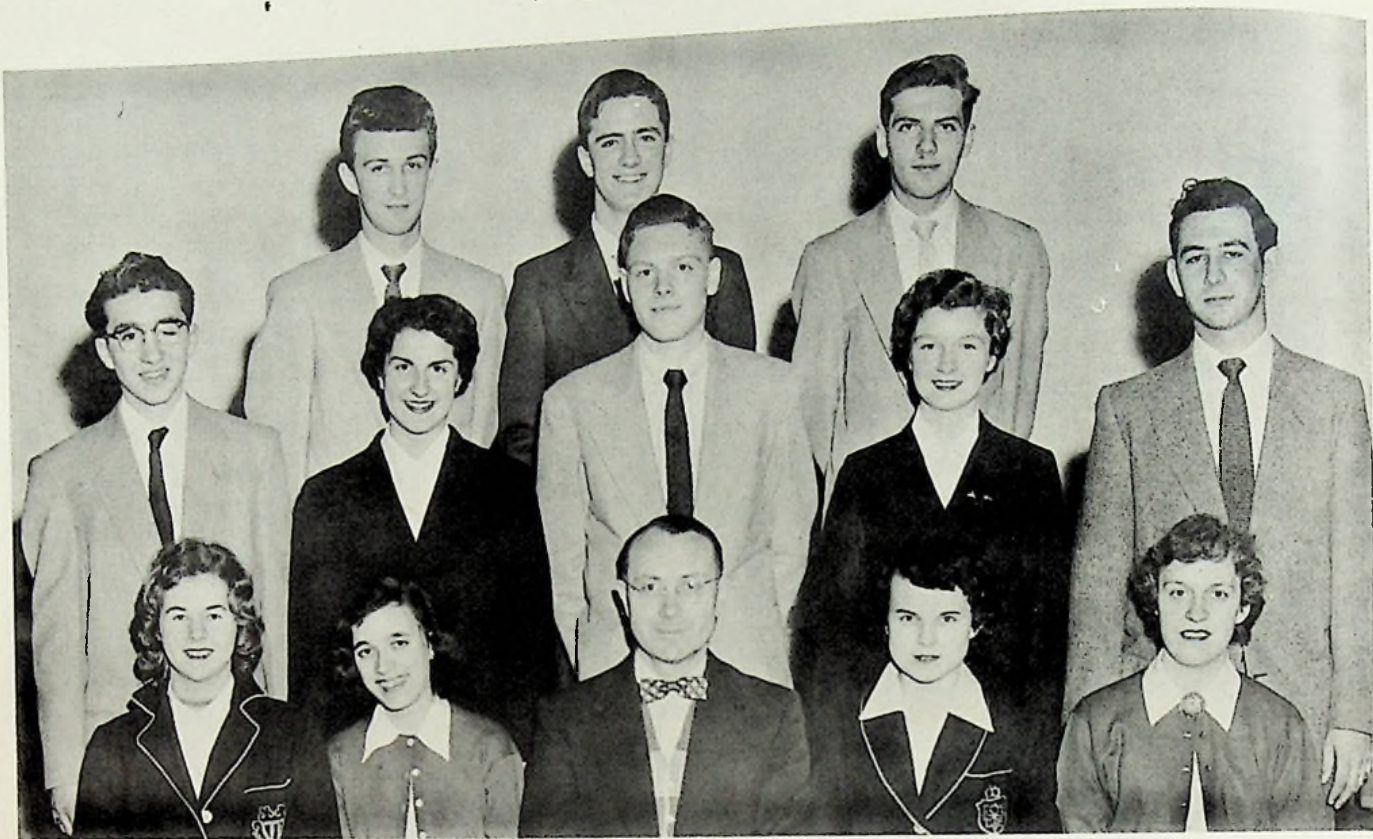

The yearbook, with the largest circulation for high school yearbooks in the city, was written, compiled, and distributed earlier this year than ever before.

The third edition of the Victoria Composite Handbook was compiled, to be printed and distributed the following September.

Everything considered, publications enjoyed the most successful year in its history. The staffs were very well organized and co-operation was of the highest degree.

Mr. McFarland's Message to the Grads

*"Got any rivers they say are uncrossable?
Got any mountains you can't tunnel through?
We make a specialty of the impossible;
Got any jobs that you want us to do?"*

This was the chorus of a song that the workmen used to sing with great gusto during the building of the Panama Canal, one of man's greatest engineering feats. You will remember that the enterprise was first attempted, and later abandoned by a French company under the leadership of de Lesseps, the successful builder of the Suez Canal.

Chief among the builders who finally pushed the mighty Panama project to completion was an American engineer by the name of George Washington Goethals. Colonel Goethals and his men had to battle all manner of obstacles. Tropical heat, high humidity, mosquitoes, fever—all these combined with the hazard of the construction itself, threatened the success of the enterprise at every step. But the fight was finally won through the great leadership of the Colonel, and the "do or die" spirit among the more than 40,000 workers.

The above is history—but there is a stirring lesson in it for you young people.

Each and everyone of you will find barriers across the path as you proceed through life.

And the question will be whether you can surmount these barriers or just stagnate in your tracks in front of them.

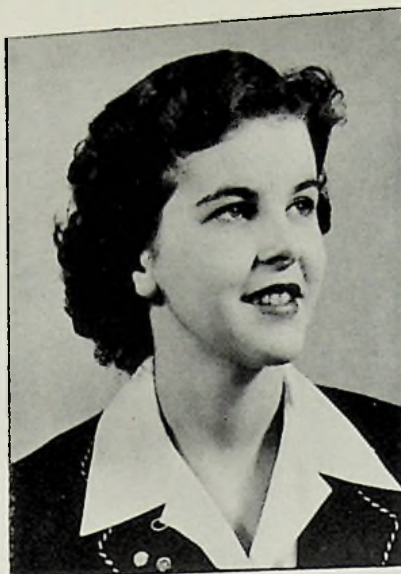

With sufficient enthusiasm and drive, you can accomplish almost anything you want to, within reason. You can apply yourself to achieving success in a profession, in a skilled trade, in business—the field is practically limitless. But whatever road you choose, you will always have obstacles to overcome. Will you have the intestinal fortitude "to stick"? When you are knocked down, will you stay down, or will you be a Colonel Goethals?

I should like to add here another little poem that I have written in scores of autograph albums in the days of not so long ago:

*"It's easy enough to be pleasant,
When life flows on like a song;
But the man worthwhile
Is the man who can smile
When everything goes dead wrong."*

You may not remember the words of these poems very long, but I hope you will retain the thought they bring to you.

Success to all of you, whether you are graduating in '55, or '56, or '57. I sincerely pray that your life may be a very useful and happy one indeed.

Message from our Grad President

During our stay at Vic, we Grads of '55 have travelled an enjoyable and rewarding part of the road of life. We have undergone a remarkable change from frightened, bewildered freshmen to young men and women preparing to take our place in the business world. What brought about this change? Surely, it cannot be attributed to any one factor.

Under the very capable supervision of the teaching staff at Vic, we have added much to our store of knowledge. Heading this body is our Principal, Mr. McFarland. His able administration and ingenious understanding of our points of view have won our everlasting appreciation. A note of thanks, also, to our two Assistant Principals—Mr. Henderson, who doubles as Staff Advisor to the Students' Union; and Mr. Garlough, capable director of the Commercial Division. The unselfish manner in which each member of the staff contributes his or her time to the supervision of various extra-curricular activities is genuinely appreciated.

Certainly, we cannot overlook the wonderful facilities provided at V.C.H.S.—both educational and recreational. These, undoubtedly, have made a very favorable contribution toward our high school training.

The Grads of '55 are truly fortunate in having attended Victoria High.

In closing, I should like to extend my personal thanks to each member of the Grad Committee and to our adviser, Mr. Garlough.

CLASS

It seems that only yesterday we wandered through the doors of Vic as dazed "Frosh". But soon, with the registering and Frosh Day behind us, we were installed in our rightful places as Grade 10 Vicites.

☆

Jim Shipka was elected President of the Students' Union after a rousing, colorful campaign. Louise Warren was chosen as Vice-President.

☆

When we came to Vic, it was as if school spirit joined us in our debut to the new V.C.H.S. The social functions were great successes. Lorne Day and his Social Committee produced Hobo Hop, Vi's third Sadie Hawkin's Day dance, Bijou Bounce, and Spring Serenade.

☆

Editing the Argosy and the Yearbook was Ruth Jettkant. A new addition to the two publications of Vic was a V.C.H.S. Handbook which was edited by Beth Hayes.

☆

'Twas a sad day that Friday of the football finals. While the rain came down on the gridiron in buckets, the Seniors and Juniors were defeated in their attempt for the city championship.

☆

Basketball was a different story. The Senior Red girls and Junior White boys each took the title of City Champs. The Senior boys also came out on top as Northern Alberta Champions, but were finally downed by Raymond in the provincial finals.

☆

Richard of Bordeaux was chosen as the year play that year. With Jim Edwards in the starring role and Walter Kaasa directing, the play was a tremendous success.

☆

The C. O. Hicks and J. Percy Page Citizenship awards were introduced for the first time. These went to Jim Shipka and Ruth Jettkant for their outstanding high school records.

☆

Grad President, Ernie Trischuk and the Grade executive helped turn the formal dance of the year into a memorable success.

☆

Our second year of high school was introduced to us with a major shift in the teaching staff. Following Mr. Hick's resignation, Mr. McFarland became principal with Mr. Henderson filling the post of vice-principal.

☆

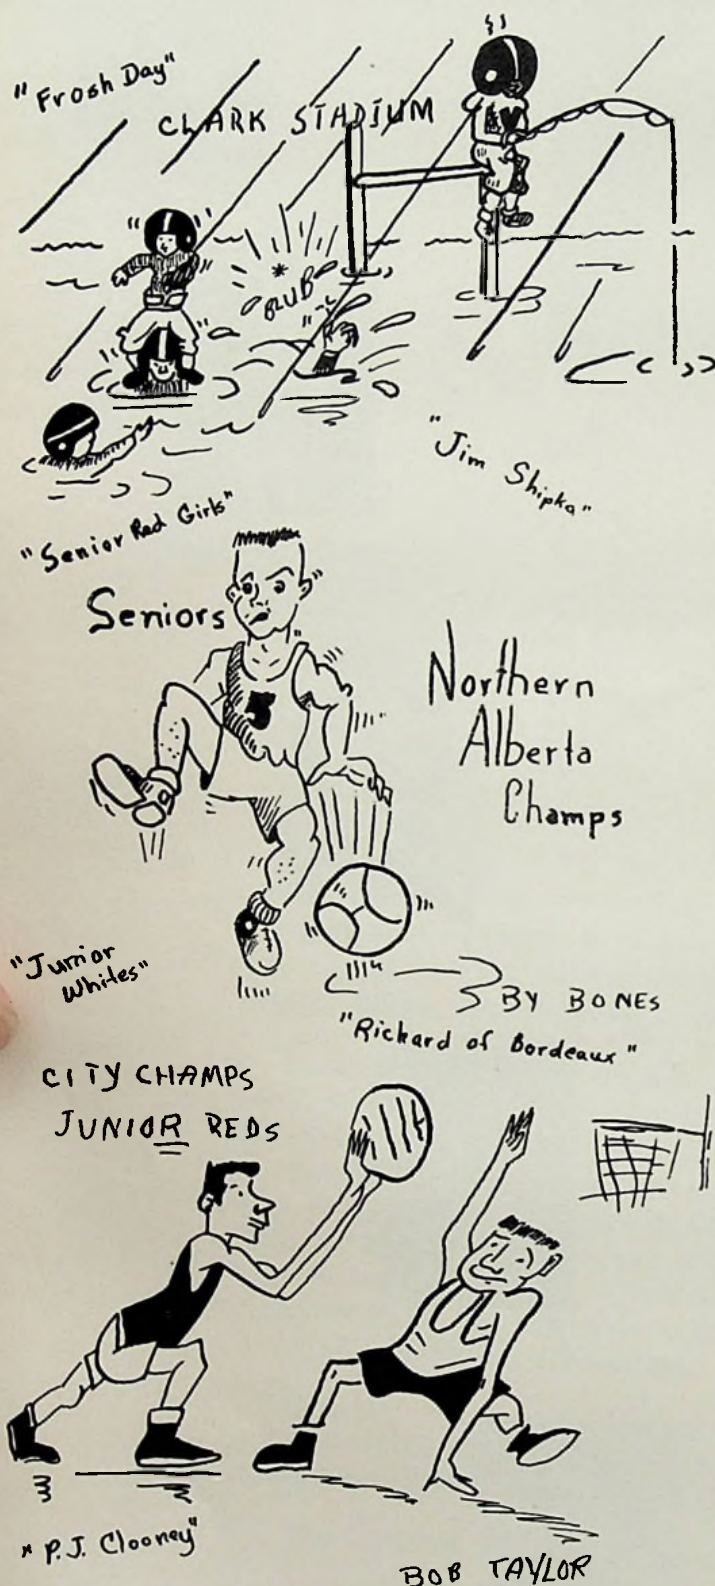

The student body elected P. J. Clooney to act as their president for the 1953-54 term. Also representing us on the students' union was Ernie Figol, in the position of social convener. The publications staff was under the leadership of Con Heibey, Argosy Editor, and Emily Melech, Yearbook Editor.

☆

Among the laurels gained by our school teams last term were: City Senior Football championship; City Junior Basketball championship; "Senior Red" and "Junior White" girls' basketball teams both copped city championships.

☆

Other highlights sportwise were: the presentation of the Haliburton Trophy for ability and leadership to Jim Ostrowerka; Mickey Garlough's rink's success in winning the Irving Kline Trophy; and a tie for first place with Scona in the City Swim Meet.

HISTORY

Turning to accomplishments in drama, "The Bat", a comedy-mystery enjoyed a three-night run, while the yearplay "Charlie's Aunt", directed by Liane Hostler, and starring Michael Goldberg, was a tremendous success.

On the social stage, productions such as Provincial Prom, Drainpipe Drag, Fantasy in Rhythm, and Tulips-Meet, stole the spotlights.

Under the newly inaugurated award system, P. J. Clooney and Emily Melech were awarded the C. O. Hicks and J. Percy Page Citizenship Awards, respectively.

The Grad committee headed by Ken Smith took the credit for preparing the graduation banquet and dance.

And now, at last, we are the seniors. As the "leaders" we have had a tremendous year; a year that will stand out in our diary of memories.

Howie Starkman officially began his duties as the president at the beginning of the term. The position of vice-president was held by Shirley Sollanych. Rod Morgan was the editor of the Argosy, while Doreen Wright was appointed the Yearbook editor.

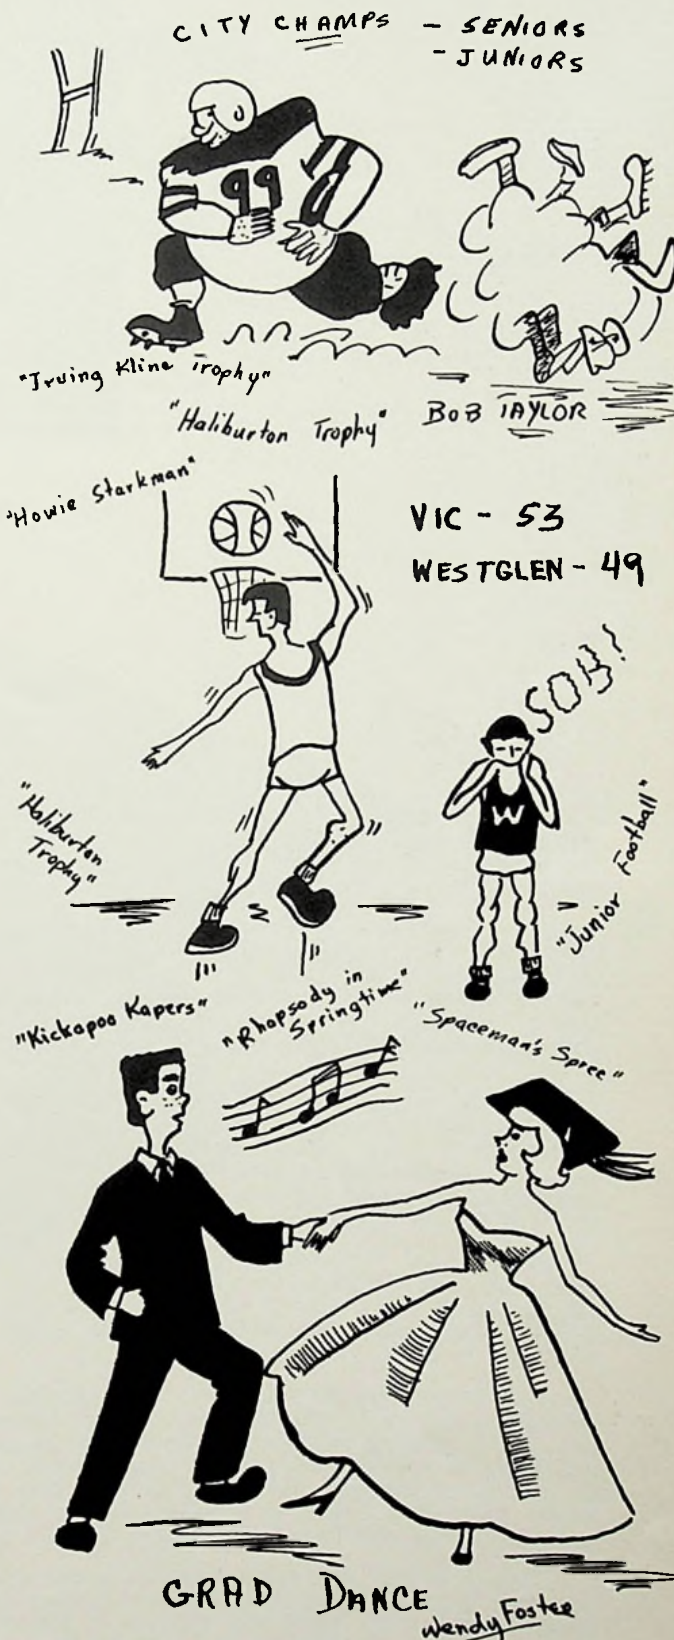

Vic's Senior Rugby Team fought a hard but losing battle when they tried to defend their title of City Champions against the spirited Sep team. There was consolation in that for the second year in succession a Vic player won the Haliburton Trophy. For his leadership and ability in high school rugby, Wilf Greaves received the trophy.

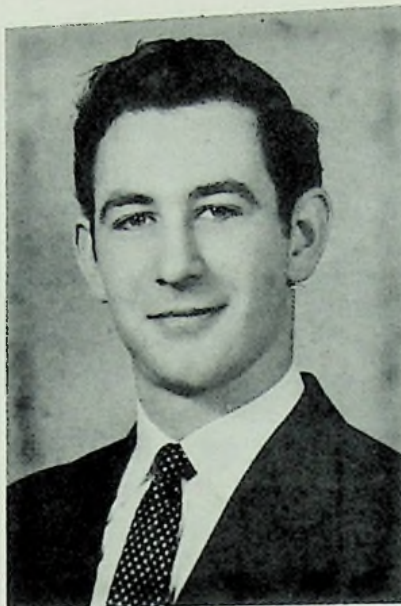

We had two social conveners this year—Clyde Watt and Murdeen Finlayson. With the help of an ingenious and hard-working social committee, they managed to turn out one more social function than Vic had had in previous years. "Kickapoo Kapers", the annual Sadie Hawkins dance, "Spaceman's Spree", "Melodies in Swingtime", a jazz concert and dance featuring Ron Repka, and "Blossoms and Beaux", the spring semi-formal, were all hailed as tremendous successes.

This was one of the greatest basketball years that Vic students have ever witnessed. Nothing has ever topped the school spirit and excitement of the '54-'55 season. The semi-final and final games against Westglen High will never be forgotten by those who were lucky enough to see the Senior Boys win the City Championship. The Junior White girls also came through with flying colors, winning the City Finals.

"Our Town" was chosen as the year play this year. The heart-warming sincerity of the acting made "Our Town" a production never to be forgotten. A great deal of credit is due to the director, June Ferguson, and the stars, Tony Straubensee and Beverly Havard.

Commercial's Shirley Sollanych was acclaimed president of the graduating class. To her and the graduating committee we owe thanks for the formal banquet and dance which climaxed our three years of high school and the start of the "best years of our lives".

ED PAKES

Valedictory

It is now my responsibility to deliver the valedictory—to say farewell. Though we say farewell to Vic, the memories of her will remain with us throughout our lives.

It was but three years ago that we entered the school with open, I might even say empty, minds. Now, as graduands, we are grateful for what Victoria has put into them; and, I must add, that we feel certain that as the years test us and our education, we will appreciate more and more Vic's contribution to our lives.

One has only to talk with Victoria's alumni, now settled in their careers and professions, to realize how pride in their school grows with the years. The mere fact that recollections of Victoria High stand out in their memories makes a graduand feel grateful that he also will be able to look back on Vic as his high school.

It has been the custom to feel melancholy on graduation, but I think that we should have a sense of satisfaction at being able to enter the world with an education that many less fortunate people would be overjoyed to have.

Our preparation to meet life's problems has involved not only a formal education, but an informal one; on the playing fields and in the various clubs in which we have developed a social consciousness, and the ability to live and work harmoniously, with our fellow men. The spirit of brotherhood has always prevailed in Vic, and I am confident that it always will.

Though sports and other extra-curricular activities have been encouraged in our school, they have never been carried on at the expense of the main business of the school, which is to educate the mind. Dr. Hutchins, formerly the president of Chicago Uni-

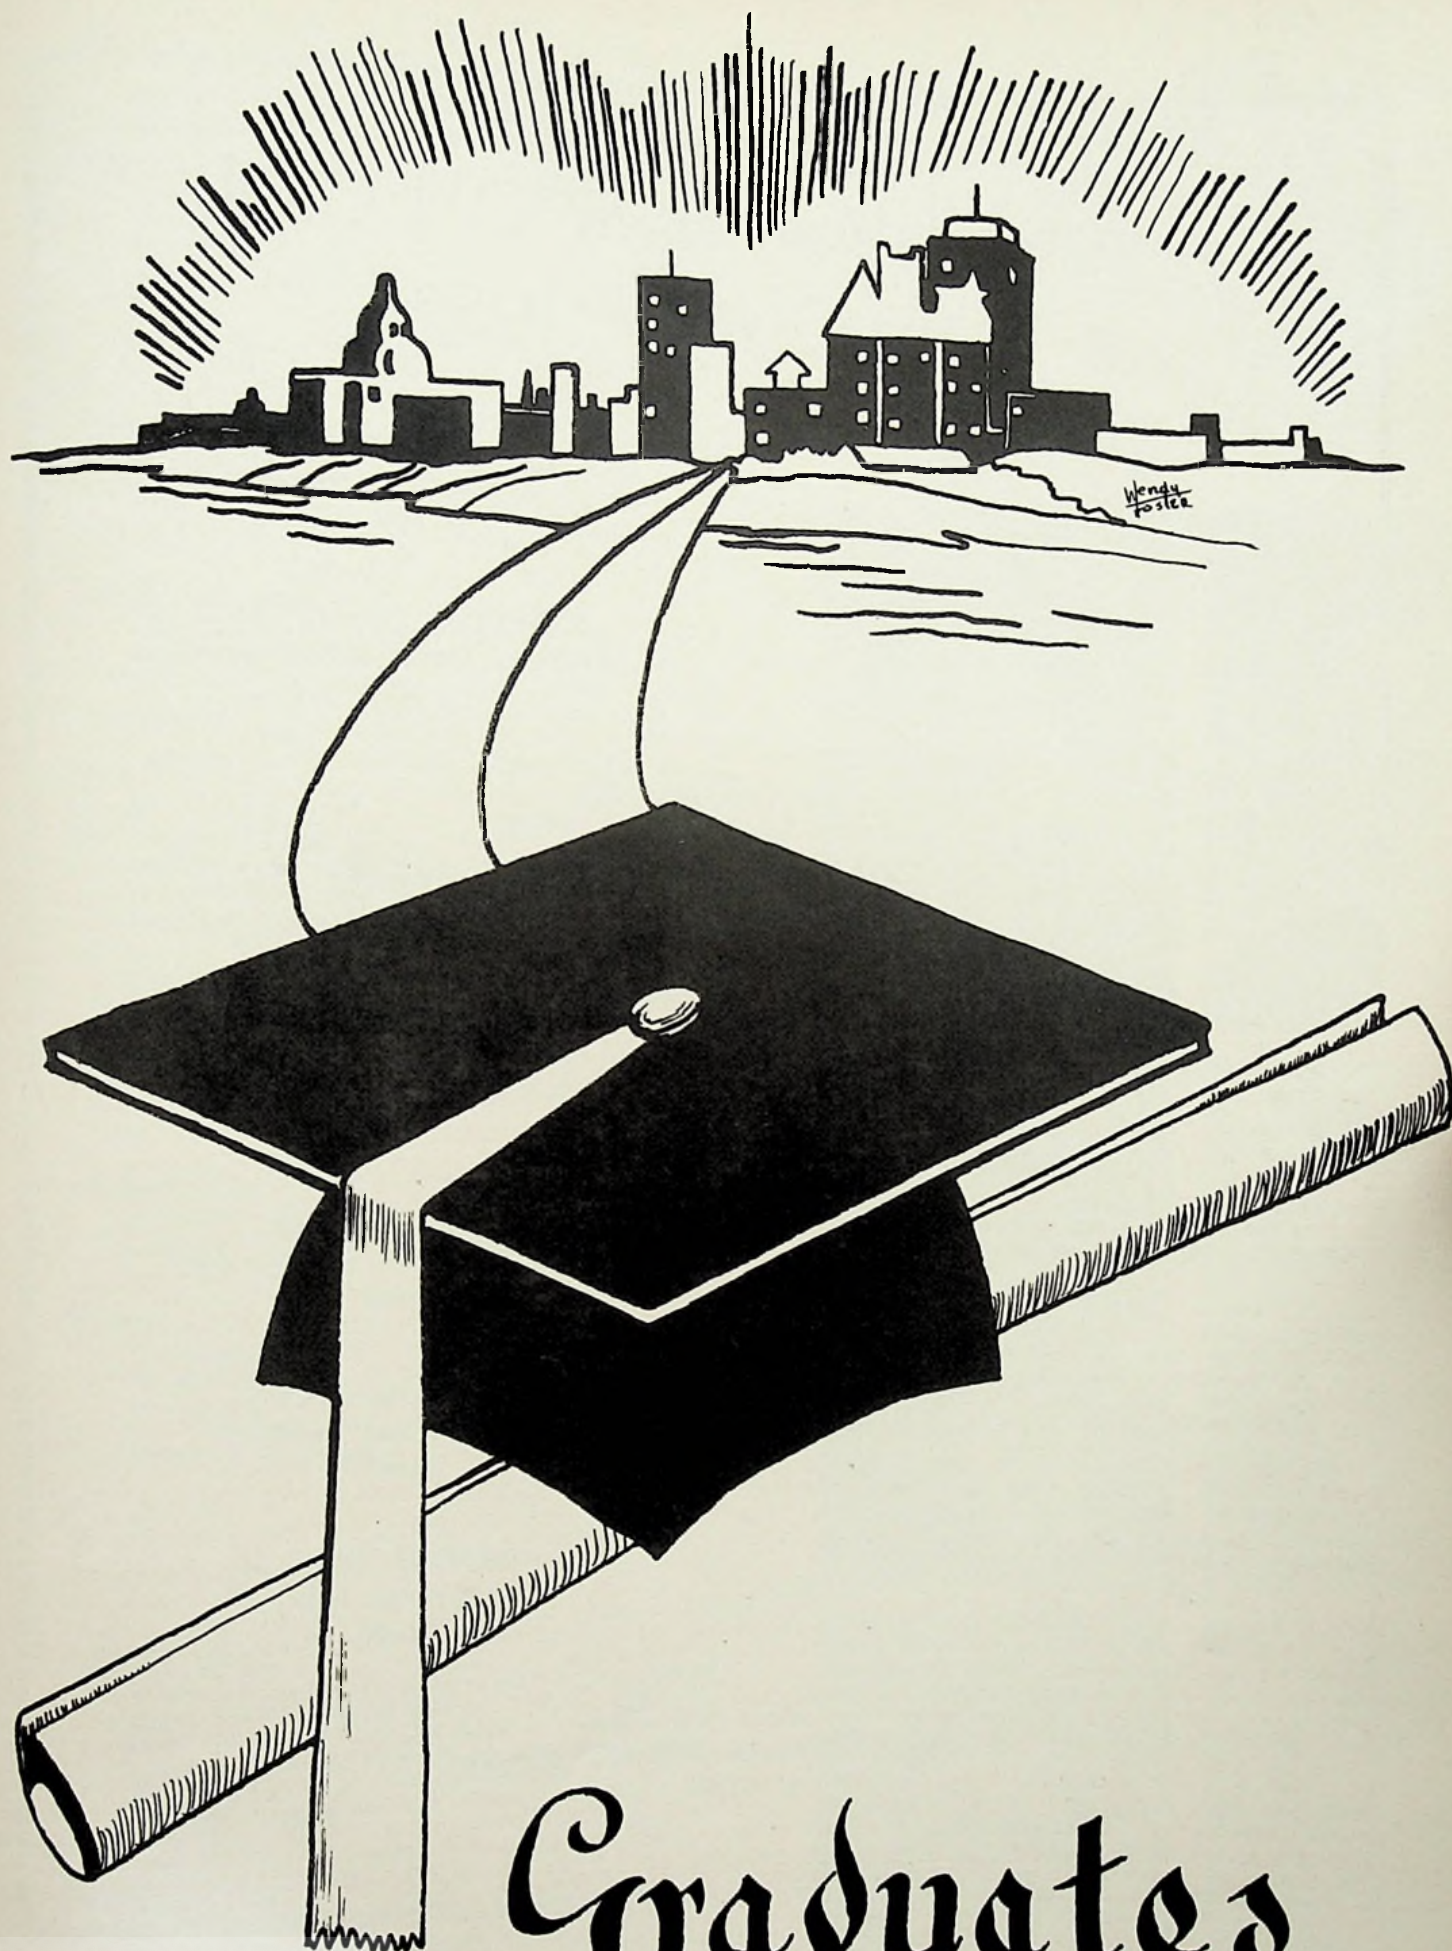

versity, tells the story of a famous half-back whose only regret when he bade his coach farewell, was that he hadn't learned to read and write. I am happy to say that we have never produced a Vicite of this kind.

Fifty years ago, Alberta, then only a small group of communities, undeveloped, but with rich natural resources, was aspiring to find a place in confederation. And through the efforts of her pioneer leaders, she did become a province. So we, the graduands of 1955, undeveloped too, but with some natural abilities, have been shaped to take our place in the world, by our leaders, the teachers, who have labored long to develop latent qualities that lay within us—

Let us now praise famous men
From whose bays we borrow—
For they put aside Today—
All the joys of their Today—
And with the toil of their Today—
Bought for us Tomorrow!

Let us hope that as we near maturity, we may justify our teachers' faith in us by becoming valuable citizens of our community. To do so, we must not let increase of studies or the activity of a business life interfere with our interest in current affairs. And when the time arrives for us to cast our first vote, I hope we shall be able to use this democratic privilege wisely. Our first vote may well be a good start as intelligent citizens of our country.

In conclusion, I would like to wish all the grads of '55 good luck in their finals. And as our time to part nears, let us be hopeful that happiness, health, "a swell bunch of kids".

THE WRECKERS

I watched them tearing a building down,
A gang of men in a busy town;
With a ho-heave-ho and a lusty yell,
They swung a beam, and a side wall fell.
I asked the foreman, "Are these men skilled,
The men you would hire if you had to build?"
He gave me a laugh and said, "No, indeed!
Just common labor is all I need.
I can easily wreck in a day or two,
What builders have taken a year to do."
I thought to myself as I went my way,
Which of these roles have I tried to play?
Am I a builder who works with care,
Measuring life by the rule and square?
Am I shaping my deeds to a well-made plan,
Patiently doing the best I can?
Or am I a wrecker, who walks the town
Content with the labor of tearing down?

Message from the President

The past school term 1954-55, has been one of pronounced success in the many and varied phases of Student Union Sponsored Extra-Curricular activities. The main job of a Students' Union is to regulate and co-ordinate the various activities that go on within the school. This I feel we have accomplished.

The many clubs that go to make up our extensive extra-curricular program saw increased participation and can boast of many fine accomplishments. It is gratifying to note the continued interest in and uses made of our school's splendid equipment and excellent facilities. A special vote of thanks should go to all the club advisors who gave so freely and willingly of their time and effort to see that the clubs functioned properly.

The teams representing Vic in the fields of inter-scholastic athletics displayed the ability, spirit, and sportsmanship which gained for them the respect of all their opposition and deserving of praise from our school. One might proudly say, "Well done", to the coaches and players alike for their fine work in this field of endeavor. The intramural athletic program as well, enjoyed another successful year with Housewell, league continuing to be the most widely patronized and most enjoyed single activity within the school. Special thanks to Mr. R. H. Routledge for his work in inaugurating and operating this enjoyable program through the years.

The Social Committee under the excellent leadership of Clyde Watt and Murdeen Finlayson produced such enjoyable dances as Kickapoo Kapers, and Spaceman's Spree—to note but a few. These fine efforts gained the approval of all the students and tended to highlight our school term socially.

The high calibre of previous assemblies was sustained in this year's Lits, largely through the efforts of Mrs. Roshko who capably guided the workings of the Assembly Board. A warm word of thanks, also,

to the Lit performers. I do hope the appreciative audience made your efforts seem worthwhile.

To the caretaking staff whose endless job of keeping the school clean and free from debris of continuous use, may I, on behalf of the students, extend our thanks and appreciation. At this time I would like to thank Miss A. M. Holley, the school banker, for her efficiency in handling our financial problems; Mr. A. E. Henderson, assistant principal and our capable S.U. advisor, whose encouragement and advice proved invaluable to the functioning of the Union. It is with deep regret that V.C.H.S. shall be losing such a personable individual as Mr. Henderson, who is leaving Vic at the end of this term to assume the principalship of Westglen High School. He will always be remembered here for his untiring and conscientious attempts to mold better citizens out of us. We wish him continued success.

The amiable relationship between staff and student was made possible largely through the efforts of our affable principal, Mr. H. A. McFarland, whose unfailing co-operation and implicit faith in our well-being made for so pleasant a year.

I now would like to express my sincerest thanks to the members of the Student Union Executive, the Room Representatives, and the student body at large for honoring me with the position of president. This term of office has been a most gratifying and exciting experience—one I shall never forget. Only through your fine co-operation and whole-hearted support were we able to achieve such measures of success. Now as we prepare to enter the world as the citizens of tomorrow, to make our mark on history's pages, it would be wise for us to remember the proverb of the great Greek philosopher and playwright, Euripides:

"Toil is the sire of fame".

STUDENTS' COUNCIL

The Council: President—Howie Starkman; Vice-President, Shirley Sollanych; Secretary—Marian Kuzak; Treasurer—Jo Lockton; Eligibility Board Representative—Rita Malarchuk; Club Board Representative—Ray Wilkinson; Athletic Board Representative—John Schulz; Publications Board Representative—Rod Morgan; Social Convener—Clyde Watt and Murdeen Finlayson; Grade 12 Representative—Jo Okurily; Grade 11 Representative—Joe Bedford; Grade 10—Peggy Drewoth; Room Representatives: Carol Horton, 1; Arlene Bumstead, 3; Joan Witschen, 4; Marg Holland, 5; Eunice Westling, 7; Rita Malarchuk, 8; Eileen Ewart, 9; Ann Williams, 10; Arlene Horen, 11; Darryl Young, 12; Karen O'Connor, 15; Dave Peterson, 100; Wally Kirk, 101; Marian Ruptash, 103; Alice Feica, 102; Marni East, 104; Mickey Nechkin, 105; Bob Holden, 106; Gail Woodward, 107, Carol Shonn, 108; Jim Young, 116; Lionel Jones, 119; Sandy Clark 200; Allen Teslyk, 201; Ed Hauptman, 202; Morton Brown, 203; Joan Morris, 204; Yvonne Lund, 205; Ron Engstrom, 207; Bob MacDonell, 209; Wilf Grieves, 210; Gary Noren, 216; Don Esplin, 217; Lorrane Kryes, 221; Dale Bjorson, 225; Gail Robertson, 228; Beverly McCray, 230; Joyce Campbell, 219. Advisor: Mr. A. E. Henderson; Banker: Miss A. M. Holley.

The Students' Council, with Howie Starkman acting as chairman, and Mr. A. E. Henderson advising, convened every second Wednesday at eleven-thirty in the library. This body, composed of room representatives and the executive, was vested with the legislative and administrative powers of the Students' Union. Many important issues concerning the schools welfare were discussed and decided upon by this active body.

The thirteen members of the Student Executive met in the students' office every other Wednesday at eleven-thirty. It was here that the various matters were brought up, discussed and carried over to the council meetings.

A Club Day was introduced to Vic this year. Every club set up a table in the halls where a student could register in the club in which he was interested. It proved to be a great success.

Club budgets received careful scrutinization as did all financial issues.

V.C.H.S. pennants were brought back on the scene after an absence of fifteen years. The pennants, which have red letters and monogram on a white background, sold well.

The installation of a suggestion box in the main corridor, Vic's noon-time musical program, V.C.H.S. Varieties, the purchasing of basketball jackets for the use of the team during games, the mid-term election—all these matters received unanimous approval by the council. However, often the body would resemble a debating club as, one after another, students voiced their objections to various principles.

This year's council should be commended for the initiative, co-operation, unity, and common sense shown in carrying forth their responsibilities. Sincere thanks go to Mr. A. E. Henderson, who proved to be one of the very finest advisers possible. Owing to his careful guidance and help, the council was able to show its ability in making an eventful and worthwhile year.

ASSEMBLY COMMITTEE

FIRST ROW—Robena Pike, Mrs. Roshko, Daphne Allen, Mrs. Ferguson.
SECOND ROW—John Mitchell, Leroy Schultz, Mr. Lopatka.
ABSENT—Miss Howard.

The Lits at V.C.H.S. for the year 1954-55 have been a complete success, under the direction of Mrs. Roshko, Assembly Board Representative Daphne Allan, and The Assembly Board. We have presented two Lits so far, and, as this yearbook goes into publication, plans and rehearsals for the third Lit are underway.

This year we have presented some exceptional talent and we are always ready to welcome anyone interested in entertaining the students and the teachers. The students who perform are energetic and enthusiastic and they are willing to work long and hard. These Lits give them an opportunity to overcome stage shyness, stage-fright, and enable them to learn to work with other students in order to turn out a successful show.

Along the more sober lines of a concert, the first Lit consisted of a violin solo, a piano solo,

a vocal solo, a Highland sword dance and a ballet number. No sets or costumes were used in this performance. Two performances were given—one for the Grade 10's and one for the Grade 11 and 12 students. The second Lit was more the variety type of show and the theme was "V.C.H.S. TV presents . . .". The highlight of this Lit was a presentation to Rollie Miles and Frankie Anderson, the coaches of the senior football team. Several vocal choruses were given tap choruses, vocal solos, a tap solo, the Sailor's Hornpipe, and an imitation were presented. Costumes and sets were used for this Lit and created a nice effect. Both Lits were greatly received and enjoyed by the teachers and students alike. Bigger and better Lits will be expected in the future. Also on the second Lit, modern jazz was introduced to the students and it was an excellent version.

SOCIAL COMMITTEE

FIRST ROW—Olga Kozel, Murdeen Finlayson, Clyde Watt, Lorraine Kryz, Ruby Stephenson.
SECOND ROW—Grace Churchill, Miss A. Stewart, Miss M. McLaggan, Joy Ritchie, Laverne Lauridsow.
THIRD ROW—Lee Schultz, Michael Goldberg, J. M. Craig, Mr. J. Yusep.

Our hard-working Social Committee got off to a good start this year with their presentation of the traditional Sadie Hawkins dance, "Kickapoo Kapers", on November 20. The gym, for this event, was decorated in Dogpatch fashion. Our decorations committee—Joy Richie, Lorraine Kryz, and Ruby Stephenson—worked hard to make the gym fit the mood of the dance. Frank McLeavy's orchestra played to a crowd of 450 students dressed in typical hard-time fashion.

An informal sockdance featuring a trip to Mars was the theme of the next dance called "Spaceman's Spree", which was held in the gym on February 5. The rocket ship for our excursion was stationed in one corner of the gym and was to take off at 11:30 p.m. The music was supplied by Ron Repka's "Teen Tones".

After the exhibition basketball game on February 19 when Red Deer played against our senior team there was a record dance attended

by all the students present at the game. This was the first open dance at Vic in a long time.

The annual semi-formal was held on the 19th of March. The event was entitled "Blossoms and Beaus". The specified dress for the affair turned to cocktail dress or suit for the girls and suit or sports jacket for the boys.

A jazz concert and dance, "Rhapsody and Swingtime No. 1", featuring Ron Repka's orchestra was held on April 23. The concert took place in the auditorium and the dance in the gym. This was the final event of the year.

The rest of our staff, not previously mentioned, are: Conveners—Murdeen Finlayson, Clyde Watt, and Olga Kozel; Advertising—Mike Goldberg; Tickets—Laverne Lauridson, Grace Churchill, and Leroy Schultz.

Advisers to the Social Committee were: Miss M. McLaggan, Mr. Craig, and Mr. Yusep.

Functioning Committees

ATHLETIC BOARD

The members of the Athletic Board are: Chairman—Mr. R. H. Routledge; Students' Union Rep.—Laurie Niewchas; Mrs. M. Southern and Miss R. O. Anderson, girls' physical education teachers; Mr. D. MacIntosh, boys' physical education teacher; Wilf Greaves; Marg Carnegie; and Marny East.

The Athletic Board makes recommendations to the Students' Union regarding all extra-curricular activities which are of the athletic type. This includes the Athletic teams and Clubs. These recommendations include budgets and any other problems that come up during the year. Important issues discussed this year were: the sanctioning of the school jacket; the design and purchase of football and basketball championship crests, and the purchase of special square dance pins.

THE CLUB BOARD

The members of the Club Board for the term were: Mr. A. R. Brown—Chairman; Ray Wilkinson—Representative from Students' Union; Mr. E. Nestad; Miss M. J. Grant; Mr. O. P. Thomas, Ed Hauptman; and Eunice Westling.

The function of the board is to supervise all extra-curricular activities of the Click Club, Drama Club, Film Club, Glee Club, I.S.C.F., Junior Red Cross, Public Speaking and Debating Club, Radio Club, Chess and Checker Club, Science Club, and Model Air Craft Club. The Board must also secure teachers to act as advisors, and to approve any coaches and instructors the above clubs may require. It also has the power to recommend all non-athletic budgets, reports, and awards other than those for publications.

ELIGIBILITY BOARD

The members of the Eligibility Board are: Chairman—Mr. W. S. Waddell; Teacher Members—Mr. T. P. Atkinson; Mr. M. T. Fowler; and Miss G. Thompson; Student Council Rep.—Rita Marlarchuk; Student Members—Carol Shonn; Lionel Jones; and Don Williams.

The eligibility board advises on the participation of the individual student in extra-curricular activities. All students, before they can hold a major position in the school must have their names submitted to the board. The board then looks up the student's record, and discusses his academic standing. If the board decides the student is capable and the position will not hurt his academic standing he is considered eligible. All basketball players and football players at one time or another must come under jurisdiction of the board. The board's decision must be presented to the principal before it is finalized.

of the Students' Council

BOARD ON EXTRA-CURRICULAR AFFAIRS

This committee consists of the chairman of each of the other boards, plus the staff advisor of the Students' Union. The members are: Chairman—Mr. E. Garlough; Secretary—Mr. C. Hollingsworth; Staff Advisor of Students' Union—Mr. A. Henderson; Chairman of Finance Board—Mr. H. Robinson; Chairman of Eligibility Board—Mr. W. Waddell; Chairman of Club Board—Mr. A. Brown; Chairman of Assembly Board—Mrs. G. Roshko; Chairman of Awards Committee—Mr. M. Fowler; Members at large—Howie Starkman and Shirley Sollanych.

The purpose of the board is to serve as a "sounding board" for the principal and staff in all matters pertaining to the students' extra-curricular program. It is the central committee which guides this all-important program.

THE FINANCE BOARD

The Finance Board is composed of: A Chairman appointed by the Principal—Mr. H. Robinson; professional auditors appointed also by the Principal; Students' Union Banker—Miss A. Holley; Publications Banker—Mr. W. Kostash; Student Union Treasurer—Josephine Lockton.

The main function of the Finance Board is to review all financial matters of the school pertaining either to curricular or extra-curricular activities. This includes fees, collections, admission fees and other money paid or contributed by the students of V.C.H.S. This board also acts as advisor to the Principal on money matters.

The main concern of the Finance Board is the welfare of V.C.H.S. and its students and to provide guidance for intelligent use of finances

PUBLICATIONS BOARD

The Publication Board consists of: Chairman—Mr. C. Hollingsworth; Banker and Business Advisor—Mr. W. E. Kostash; Editorial Advisor—Mr. R. Bishop; Editor of the Yearbook—Doreen Wright; Editor of the Argosy—Rod Morgan; News Editor—Jan Learmonth; Make-Up Editor—Don Chillibeck; Advertising Manager—Paul Goud; Business Manager—Ed Pakes.

This board supervises and co-ordinates the activities of the Argosy and Yearbook and formulates policies. It is up to the board to keep the principal informed on all matters pertaining to publications throughout the school.

Next year's edition of the Vic Handbook was again sanctioned by the board.

George and Emily are the two teen-agers in our play around whom the story revolves. George Gibbs is played by Tony Straubenzee (Grade 11), and Emily Webb is played by Beverly Havard (Grade 10). Both are students of Victoria Composite High School.

V.C.H.S. PRESENTS

People are talking about “Our Town”, the 3-act Thornton Wilder drama which the V.C.H.S. Drama Classes chose for their major production this year. They have heard strange rumors about it and many an enquiring eyebrow has been raised upon hearing some of the odd details. On the other hand, they have been informed that Time Magazine has featured it in an article as Thornton Wilder’s greatest work, that it is the winner of the highest drama award, the Pulitzer Prize, and that it has been described as “one of the finest plays seen within a generation”. Suffice it to be said that this play is different from anything you have seen before. It is Theatre at its most unconventional, and an adventure in stage technique. Thornton Wilder made a daring experiment which paid off—he had a message to give, a philosophy to convey, and in order to highlight the ideas he wished to express, he has shorn the play of all theatrical trappings and stripped the dialogue of unnecessary frills. With simplicity, clarity and power, he shows us life and the human beings who live it. True, the setting of “Our Town” is New Hampshire and the period the early 20th century; nevertheless, the town in the

story could be our town, and the characters on the stage ourselves and our neighbors.

This is no play for a lazy audience, one that expects a show fully dressed in theatrical artifices, sensational and beautiful effects which leave little to the imagination. This play, in which reality and fantasy meet and fuse, calls for the highest form of audience-co-operation. It is the aim of the players to give you, so to speak, the essence of the flower, but you are asked to sketch in (from the ideas they convey) the exquisite shape of the petals and to give color to the bloom. We realize that ours is a unique and difficult task, and we are working hard to be able to give you a stage experience which we consider worthwhile. We look forward to meeting you on Thursday, Friday, and Saturday evenings, January 27, 28, and 29, so that together we may bring to life “Our Town” and the people who once lived in it. Together we shall hear them say, “This is the way we were in the Provinces north of New York at the beginning of the 20th century—this is the way we were—in our growing up and in our marrying, and in our living and in our dying”.

OUR CLUBS

BOYS' ARCHERY

Mr. R. Robson is the adviser of this club which has Hugh Richardson and Vic Iwaniuk as its executive.

A team championship continues throughout the year. In February, a round-robin was run off to decide the best single archer—the winner of which received a bow.

The scores in the 1954-55 season were considerably higher than those in 1953-54. Mr. Henderson's work on the target was much appreciated by the members of the club.

GIRLS' ARCHERY

BADMINTON CLUB

The Badminton Club with 87 members was one of the school's largest clubs. Mr. R. W. Smith and Mr. J. M. Craig were advisors and the officers for this year were: President—Olga Kozel; Vice-President—Don Arlidge; Secretary-Treasurer—Gail Cooper; and supervisors of play—Wendy Foster and Don Ferrier. The club held its tournaments during February and the winners were: girls' singles—Maxine Dewar; boys' singles—Ron Cummings; girls' doubles—Wendy Foster and Maxine Dewar; boys' doubles—Ron Cummings and Don Fairbrother; and mixed doubles—Ron Cummings and Wendy Foster.

Several members also participated in the Edmonton High School Badminton Tournament.

BOXING AND WRESTLING CLUB

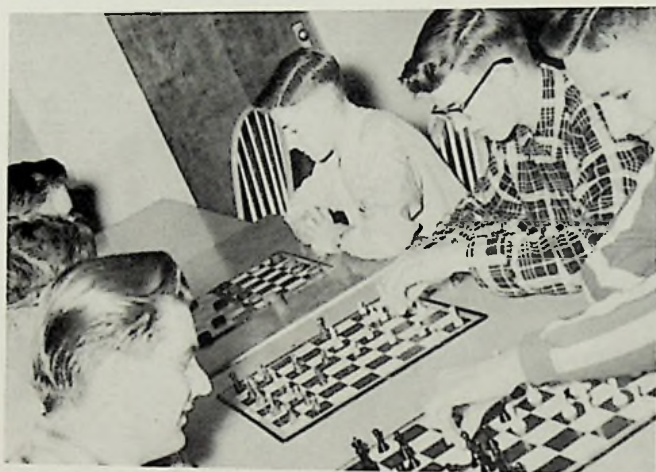

This year, as last, the Boxing and Wrestling Club functions under the capable leadership of Wilf Greaves as President and Mr. J. Yusep as the staff advisor. The club meets on Tuesdays and Fridays and the members are trained in self defense and the fundamentals of boxing and wrestling. Interscholastic competitions are held every year and the best senior boxer in Vic is determined. This club is open to any boy in Victoria interested in the great sport.

BOWLING CLUB

The mixed bowling club met every Tuesday at the Avenue Bowling Alleys. There were six teams, which played each other during the year and at the end of the season played off for the championship. There were prizes for the highest boy and girl scorer and a bowling prize for the lowest. In March at the Scona Bowling Alleys there was a city competition. The winners went to Red Deer for the provincial play-offs. The three top players of the club were David Jenkins, Laurin Haines, and Murray Gifford. Gordon Barnes was president, Larry Barnes, treasurer, and Gail Rundle was the secretary. Mr. Hunt was the advisor.

CHESS AND CHECKER CLUB

Room 118 was the meeting place for all chess and checker enthusiasts. Meetings were held daily under the sponsorship of Miss M. Grant. The club's president was Sheldon Therou, and the secretary-treasurer was Bernie Adell. During the year continuous ladder tournaments were held in both chess and checkers.

CURLING CLUB

With Mr. Garlough and Mr. Nepstad as supervisors, and with an executive consisting of Ricky James, Dennis St. Laurent, and Marg. Holland, the Curling Club held meetings every Tuesday afternoon.

The twelve teams played round-robin games during the year and had a bonspiel at the end of the season. Vic entered three teams in the Irving Kline Bonspiel and Dennis St. Laurent's team won second place. In January, a Vic team entered the Taylor Pearson and Carson Dominion High School Curling Bonspiel, won all its games in the district playoffs, and three out of five games in the Northern Alberta playoffs. In March, Vic sent teams to the Vegerville Bonspiel and the Corner Drug Bonspiel.

FILM CLUB

The purpose of this club is to train projectionists, to learn how films are made, how to fix and care for them, and to entertain the students. Executive members are: Marjorie Hazlett—president; and Miss B. Lawrence as staff advisor.

During the year time is divided between workshops and the showing of films which all students are invited to attend. The students meet every Wednesday, and it is interesting to note that this club is a member of the National Film Club.

GOLF CLUB

Although this is a seasonal club, it has one of the largest memberships of any club in the school. Mr. Richards advises the club, aided by President, Murray Gifford; Vice-president, Shirley Jackson; Secretary, Bernard Adell; and Treasurer, Gloria Green.

This club is open to any student wanting to learn the fundamentals of the game of golf. This year, a tournament has been planned for all members.

I.S.C.F.

"To know Christ and to make Him known to others" was the aim of the Inter-School Christian Fellowship, which met under the supervision of Mr. V. Young in the music room every Wednesday. The executive headed by president, Ruth McAlister, included vice-president, Anne Shyskowski; secretary-treasurer, Ella Wolter, and social convener, Allan Teslyk. The members were privileged to hear vocational talks by visiting businessmen, as well as sacred music provided by an instrumental trio.

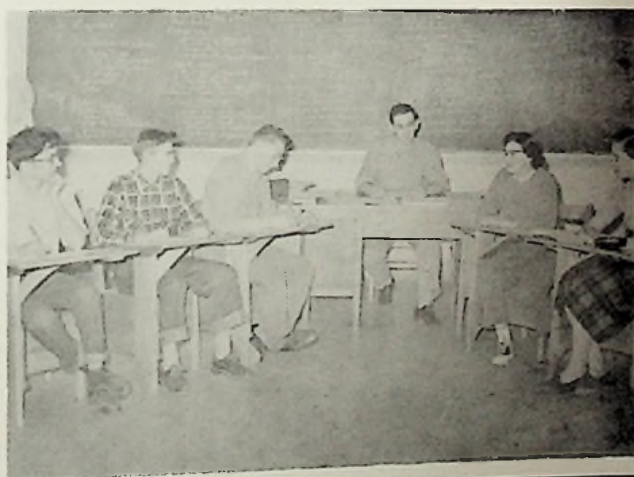

Outside of school, the club members participated in skating parties, hikes, and a gym party.

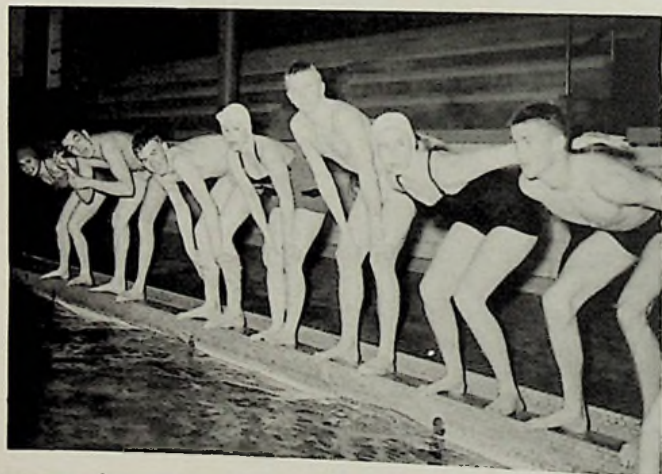

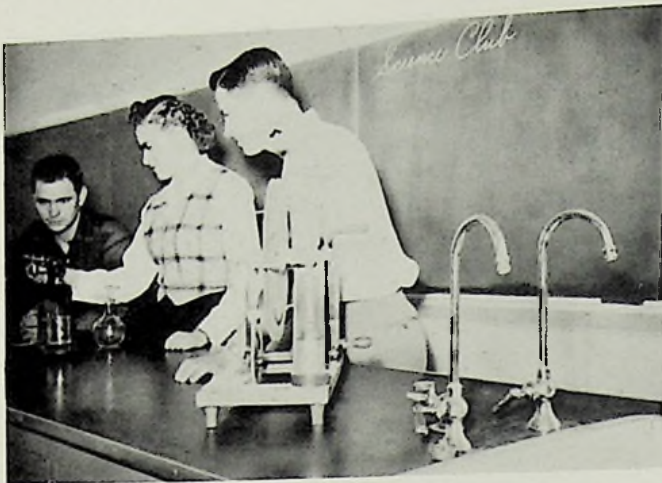

PUBLIC SPEAKING AND DEBATING

The Public Speaking and Debating Club met each Friday noon in Room 107, under the advisorship of Mr. A. R. Brown. The slate of officers for 1954-55 included president, Morton Brown; vice-president, Karen Hansen; and secretary-treasurer Jan Learmonth. The club gave its members opportunities and wonderful experience in speaking, debating, presenting material, and logical thinking. Club members were eligible to win three trophies: the Major A. Henry Debating Shield, the Birks' Public Speaking Shield, and the Jewish Women's Cup for the most valuable member. Competitions for the debating and speaking trophies were held in March. Winners of the various trophies were: Jewish Women's Cup—Bernie Adell; Birks' Cup for Public Speaking—Morton Brown; A. Henry Debating Shield—Morton Brown and Ron Bervoc.

RADIO CLUB

The Radio Club met twice a week in the electrical shop and once a week in Room 222 for theory. This club tried to teach the members the background of the radio as well as radio theory and servicing. They were taught how to use test instruments as well as a code. The Radio Club under the advisorship of Mr. Lust, had Otto Bittner as president, Stuart Smith, vice-president, and Ray Pearce was secretary-treasurer.

SCIENCE CLUB

Want something different from school science? Well then, this is the club for you. During the year there were many interesting reports on various subjects. For instance, John Crerar gave a report on explosives, and Peter Gardner gave one on "The Possibility of Life on Other Planets". After these reports open discussions were held wherein everyone was given a chance to state their opinion on the topic. A lesson in telegraphy was given one day by Bill Viznei, president of the club, and a trip was made to the C.N.R. Telegraph Office where the telegraph equipment was shown to the club. Other field trips included a visit to the oil refineries where the process of refining was described and shown, and to the weather office situated at the Edmonton Airport. Demonstrations were shown and experiments done by the Science Club members. They were also shown some films on different scientific subjects. The club met every Monday noon in Room 217. The advisors were Mr. Hunt and Mr. Glen.

SQUARE DANCE CLUB

"Swing your partner" was a familiar call when the V.C.H.S. Alamos met every Monday and Wednesday noons in the commercial gym. Again this year, the club's popular advisor was Mr. R. H. Routledge, while Allan Caskey was the capable president. Vice-president Jim Brennan and secretary-treasurer Dorene Petersen completed the executive. As well as the basic square dance calls, the members also learned round dances, old-time waltzes, and mixers. Extra fun was provided when several well-known callers, many of them former Vicites, visited the meetings.

SWIMMING

This year, there were three divisions of the Swim Club: senior swimming, intermediate swimming, and diving.

The Senior Swim Club met under the supervision of Mr. R. P. Bishop every Thursday at noon and Monday and Wednesday after school. The executive consisted of Marg Carnegie, president, and Marnie East, secretary-treasurer. The purpose of the club was to train contestants for inter-scholastic swim meets which were held at Easter.

Intermediate Club

Mr. R. J. Eby was the advisor, and Bob Hamilton and Gail Robertson were the instructors of the intermediate swimmers who met on Thursday noons. The members trained for the Red Cross Senior Swim Tests.

Beginners' Swim Club

The beginners' swim club meets every Friday at noon. This club was under the capable instruction of Bob Hamilton and Gail Robertson, and advisor, Mr. Atkinson. The club is open to any student wishing to learn the fundamentals of swimming.

The picture shows Gail Robertson instructing some of the members while Bob Hamilton is speaking to a group on water safety.

Diving Club

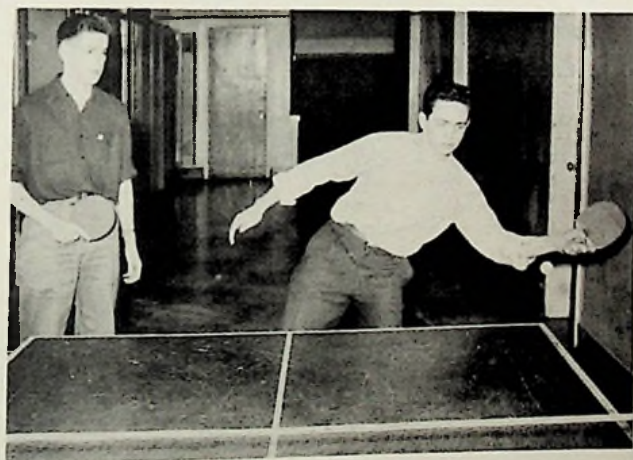

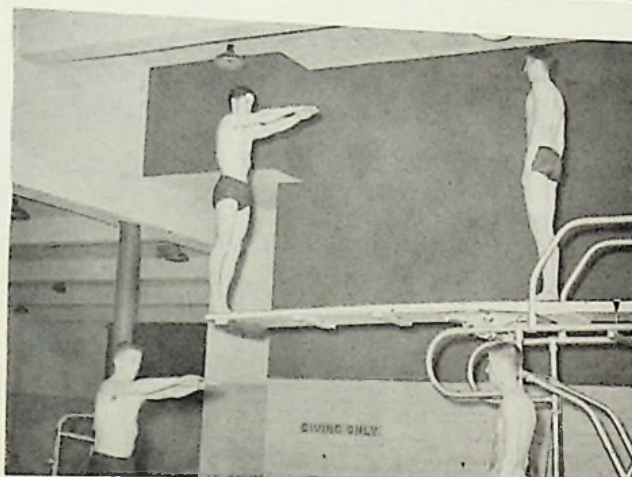

Mr. Eby was also advisor for the Diving Club. Barry Stanley was president of this group which met every Wednesday noon to train for the inter-scholastic meets.

TABLE TENNIS

The meetings of the Table Tennis Club were held every noon on the second floor above the shop wing. Two tables are used and members of the club provide their own balls and bats. This year's president is Bob Grant, and the advisor to the Club is Mr. Carron. Each year several doubles and singles tournaments are held to determine the new champions.

TUMBLING CLUB

Vic's Tumbling Club had an active year with 30 members. Barry Stanley was president, with vice-president. Minnie Lekisch and secretary, Marian Ruptash completing the executive. Mr. R. H. Routledge was club advisor. The members met every Tuesday noon in the corrective gym, where they trained in building pyramids, mat work, box work, and bar work. The club put on gymnastic displays during half-time at the basketball games, and took part in a "Lit".

CLICK CLUB

We would like to feel that the twenty club pictures on the five preceding pages are our picture.

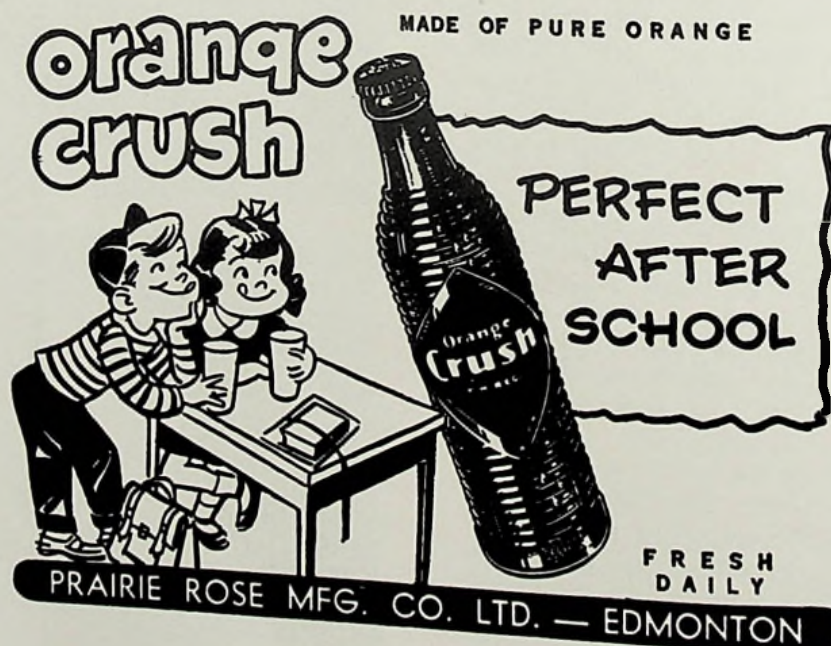

The Click Club is open to any boys and girls who are interested in photography. This year, as last, Kenn Burchill was the president, and a new addition to the staff—Mr. O. P. Thomas, who was the advisor. Also on the executive were Gordon Neufeld, vice-president, and Ann Williams, secretary-treasurer. Members of this club learned to develop, enlarge and print their own pictures. The aim of the club is to promote an interest in photography and to teach the members the simple fundamentals of photography. During the year several small contests were held in which many of the club's 25 members took part. These pictures were judged by Mr. Kensit. All in all the club had a very profitable year.

JUNIOR RED CROSS

With Joan Lambert filling the position of president, and Ann Fedun as secretary-treasurer, the Junior Red Cross enjoyed another successful year. Mrs. A. R. Kops was the club advisor. At Christmas, the club members made toys and collected food and clothing for a hamper which went to a needy family. As well, a candy sale and an ice cream sandwich sale were held—the proceeds going toward Red Cross work. The club was privileged to hear an address by Bruce Northan, of Lethbridge, who was the Alberta representative to the International Junior Red Cross Conference held in Sweden in the summer of 1954. The group held its meetings in Room 3 every second Tuesday.

VIC'S ORCHESTRA

Under the direction of Mr. R. Lopatka, the V.C.H. orchestra was reorganized this year. With Garth Worthington as their president, the twelve musicians worked toward their goals of playing at school lits and school dances. The club made tape-recordings of music in their repertoire, including such pieces as Siboney, Bewitched, and Deep Purple; the club hoped to have these recordings played over the P.A. system at noons before the end of the year. All in all, the orchestra has made a fine impression.

VICTORIA'S WILF GREAVES

Athletes occasionally reap nation-wide fame while still attending high school. If so, it is usually as a hockey player, a football star or an expert at a more individual sport, such as swimming or track and field. Athletes who become famous in the rugged fight game while still cracking textbooks, however, are just not to be found—except in Victoria Composite High School. Boxing, without doubt, is a sport that separates the men from the boys. And high school students are not grown men.

That is why Vic today is proud to have a champion boxer in its student body. Not just a city champion, nor a provincial champion; nor even a dominion champion, but the best light-middleweight boxer in the British Empire—Wilf Greaves.

Last August 6, in Vancouver, Wilf defeated all opponents to win his class in the British Empire Games; for Canada, for Edmonton—and for Vic.

Comparatively unknown outside Edmonton before his stunning victory, Wilf has since developed into one of the best boxing prospects, pro or amateur, to ever come out of Canada.

Who is this Wilf Greaves?

He is a personable, 19-year-old broad-shouldered youth, taking his fourth and final year at Vic, who would rather crack a punching bag (or an opponent's block, for that matter) wide open than perform a similar ceremony on a textbook.

Since he began competing in the manly art of modified murder, Wilf has ascended the fistic ladder in meteoric fashion.

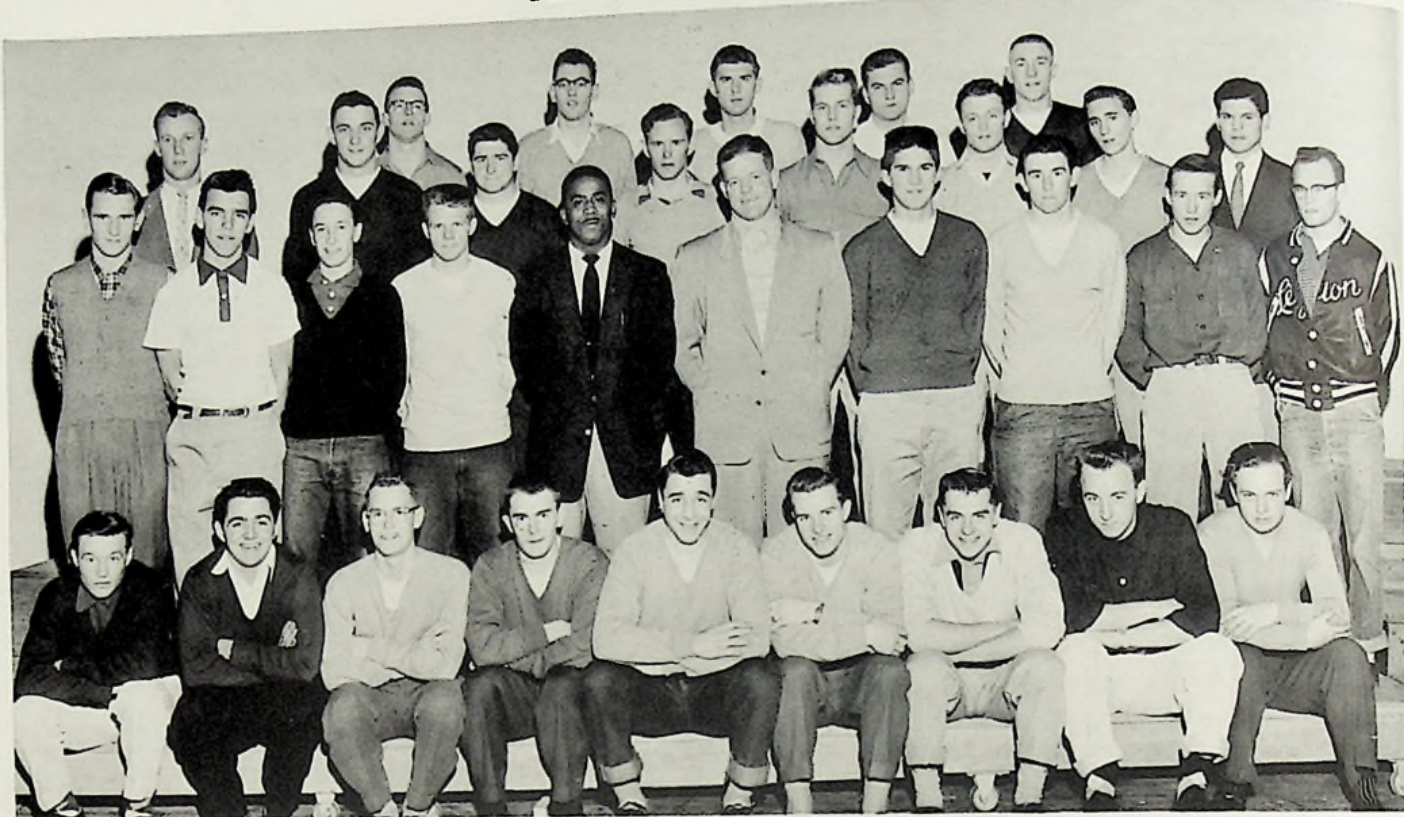

He started his fistic climb early in 1953, as a member of the Recreation Boxing Club, and improved so rapidly that he won the dominion amateur title at Montreal in May, 1954, automatically gaining a berth on the B.E.G. boxing team. It's history from there.

During his high school career, Wilf's athletic achievements have not been confined to boxing. High school football fans remember the charging Vic full-back that tore the opposition line to shreds for two seasons, resulting in the Northern Alberta championship for Vic in 1953 and the Haliburton Trophy (for the most valuable player in Edmonton high school football) for Wilf last season. He was also a member of Vic's city champion Junior Red basketball team in the 1953-54 season.

Wilf, who could have turned pro this year, is aiming for something even higher than a British Empire games crown. He hopes to represent Canada in the 1956 Olympic Games in Australia next winter.

And when Wilf Greaves knocks out Bobo Olson in June, 1960, to win the world middleweight championship, you, the students at Vic, will boast to your children, "I used to take my detentions with him at Victoria High School".

SENIOR FOOTBALL

FIRST ROW—Bob Granley, Doug McMillan, Don Carley, Pete Williams, Laurie Niewchas, Wilf Greaves, Ed Johnson, Pat Howe, George Berestovy.
 SECOND ROW—Roman Swynchuk, Vic Kondrosky, Steve Zdrill, Joe Olson, Rollie Miles, Frank Anderson, Mike Lashok, Ed Dawson, Bill Granley, Larry Geldart.
 THIRD ROW—Mr. D. Macintosh, Gordon May, George Nohos, Bruce Bryson, Bev Eckland, Jim Kietges, Ron Sawchuk, John Schulz.
 FOURTH ROW—Warren Hoover, Ray Wilkinson, Eugene Weleschuk, Mike Welykochy, Erv Zemrau.

"So close yet so far away."

This describes the Victoria Composite Senior football team's bid for the elusive city high school title.

For the second time in as many years Vic used the T-formation as a basis for its many plays, and once again Rollie Miles and Frankie Anderson were at the helm of the Vic contingent. The team—captained by Wilf Greaves, assisted by Mike Welykochy—featured ten men of the 1953-54 championship squad. The rest of the team, all Grade 11 stock, should make Vic the team to beat in the 1955-56 season.

The first game of the four-game schedule pitted the Vic squad against the Blue and Gold, of Eastglen. Vic was able to take an early lead in the first half and hold on for an 11-5 victory.

Game number two—against Scona—proved to be as easy a victory for the Vic team as was the first encounter. Vic's Mike Lashuk latched on to a Scona fumble on his own 20-yard line and rambled the remaining length of the field for the major.

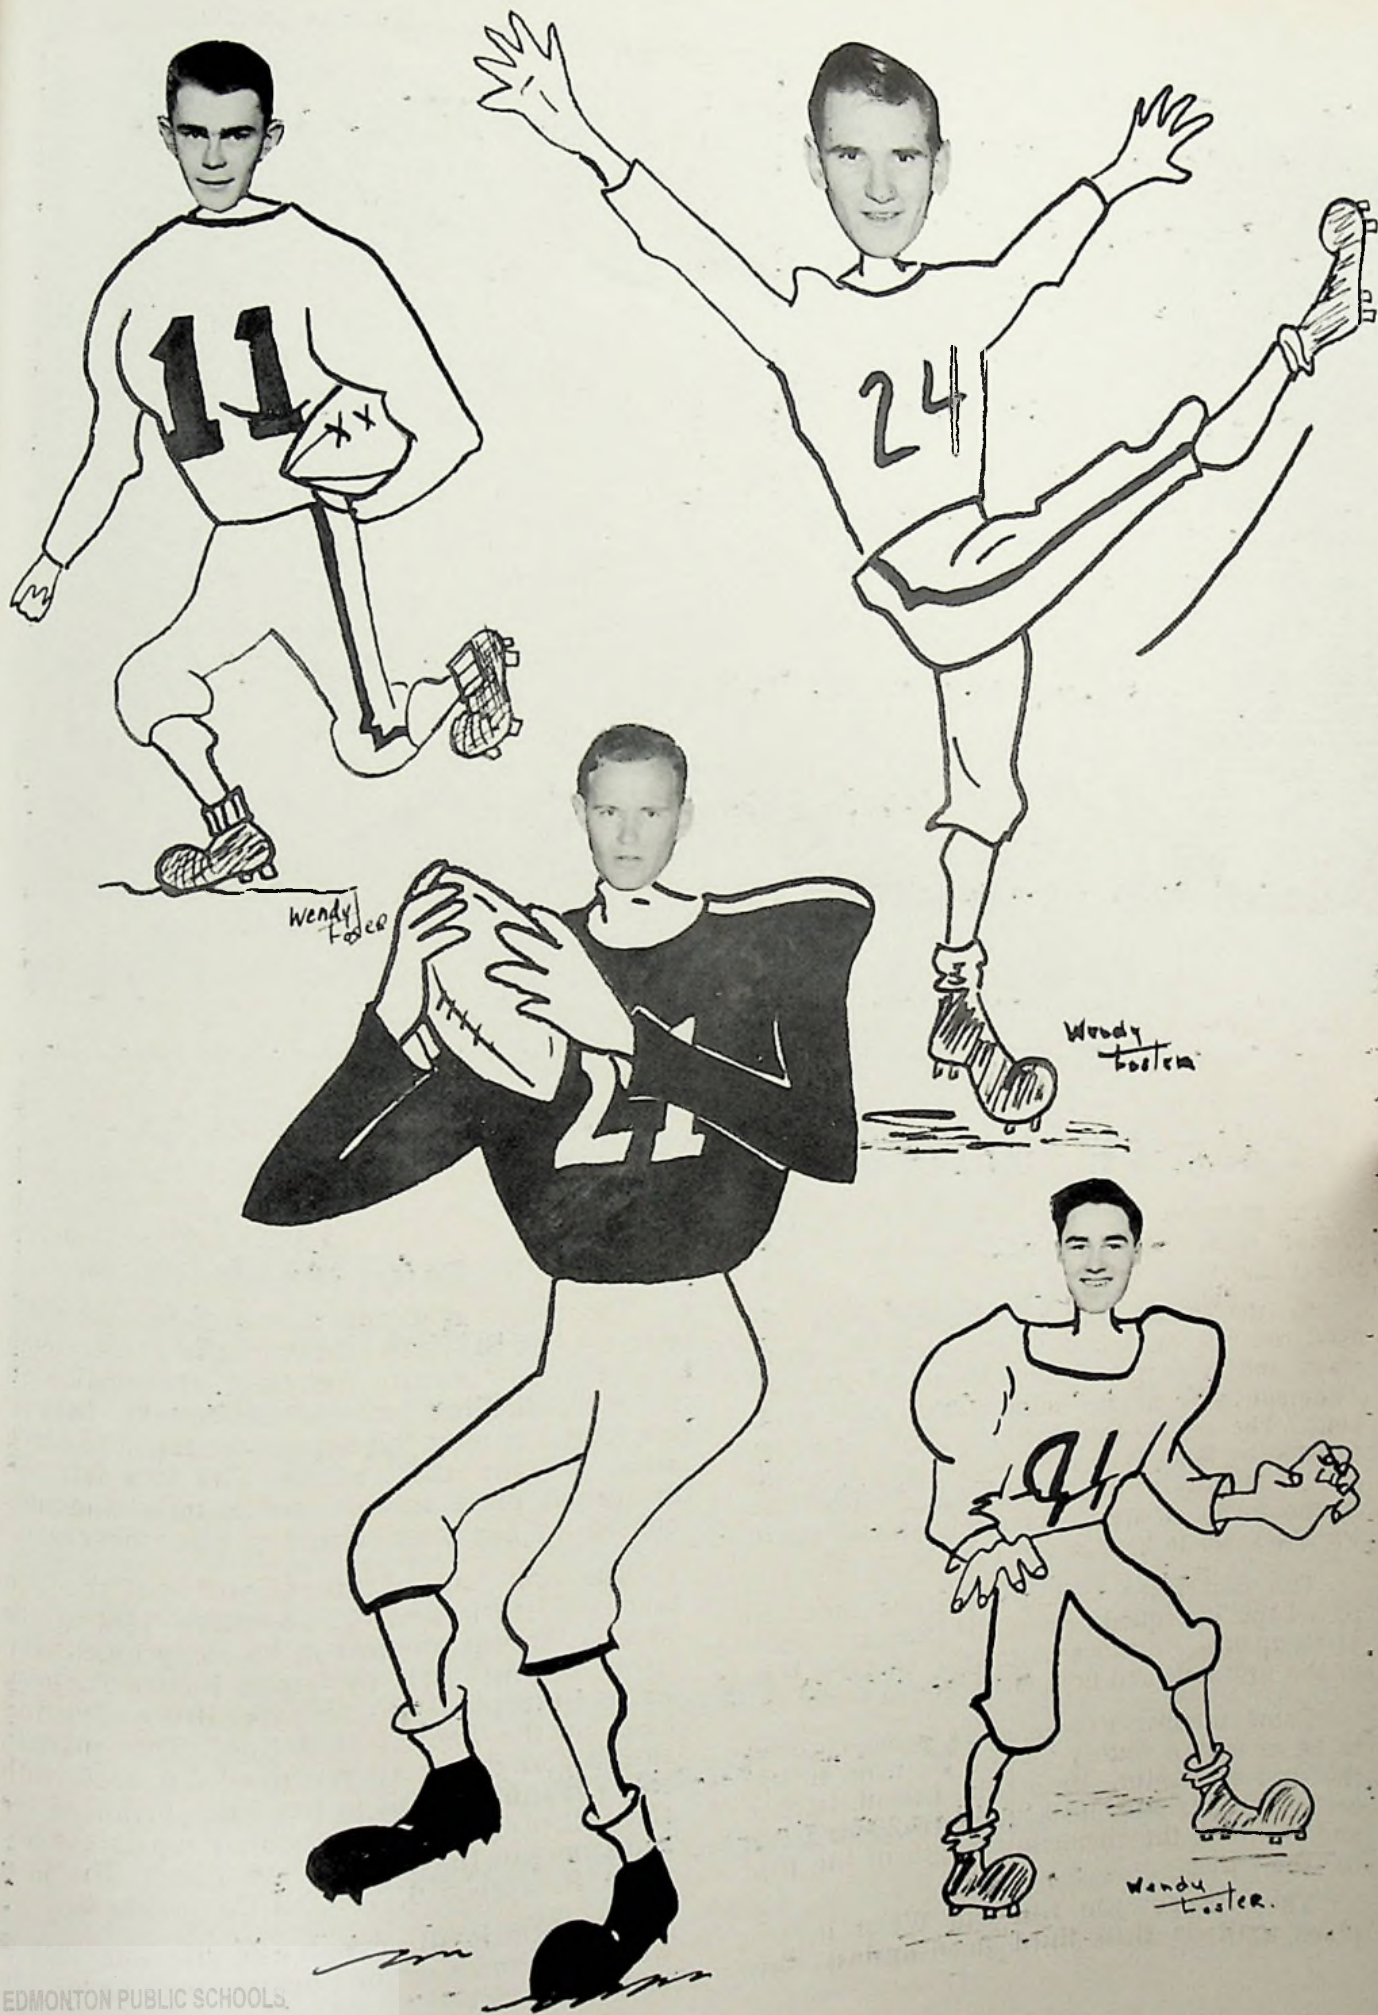

The win put the Red and White in first place until, in their third game against Steve

Mendryk's Westglen High, the Vicites were held down to a 5-5 tie. Vic was kept to a zero score until late in the final quarter when Ed Johnson scrambled over for the TD and a tie game.

The fourth and final game of the schedule was against St. Joe's and saw the senior team bow to the powerful Separate aggregation in the most thrilling game of the season. Late in the fourth quarter the Sepites managed to surge ahead for the 12-11 score. The loss left Vic in second place in the final league standings behind the Sep team with first place honors.

The first half of the playoff had the two teams—Victoria and St. Joseph's—fighting toe to toe. Vic was stopped in her only touchdown try of the first half by Sepite Pierre Turgeon, who intercepted quarterback Bruce Bryson's pass on the Sep 18-yard line. The quarters passed and the score remained 0-0 until, with only five minutes left in the final portion of the game, Sep recovered a fumble deep in the Vic end-zone and the game was finished. The final score: St. Joseph 6, Victoria Composite 0.

The best is all anyone can give and that is what each and everyone on the team gave—the best.

JUNIOR FOOTBALL

FIRST ROW—Peter Schmidt, Les Radcliffe, Ray Hamans, Wally Kirk, Ron Engstrom, Jim Young, Rae Horon.
 SECOND ROW—Ken Shimizu, Ray Zalaski, Don Williams, Bob Lindberg, Coach Ernie Wynnychuk, Duncan Hunter, Garth Worthington, George Bre-Win.
 THIRD ROW—Bois Litwin, Jack Miller, Lionel Jones, Clarence Letendre, Bill Howko, Ted Frechette, Ralph Johnston, John Taylor.
 FOURTH ROW—Rod Burton, Dave McLean, Bernie Pagee, Wally Shwydsky, Laurin Haines, Ed Babiuk.
 ABSENT—Don Connie, Mr. Jack Allen (Coach), Gary Delevie.

The cherished Edmonton High School Junior Football trophy has returned to the hallowed halls of Vic.

Victoria Composite's Junior Football team, under the watchful eyes of Mr. Jack Allen and Ernie Wynnychuk, presently at the U. of A., and formerly of Vic, repeated their performance of the previous year by winning the coveted trophy without a loss in their four-league games and one final.

In the league opener, the Red and White dumped Sep by a score of 19-5. The touchdowns were evenly divided between Wally Kirk, Gary De Levy, and Ted Frechette. Dakus accounted for the lone Sep major.

Their only tie contest came during their second encounter while playing Eastglen, Garth Worthington, late in the last quarter, plunged over for the big one and the final score read 6-6.

In the next game, Vic met the then undefeated Scona squad. The Red and White, led by Garth Worthington, who scored three touchdowns, held Scona to a zero count and won the

game 20-0. Ray Horow's two converts rounded out the score.

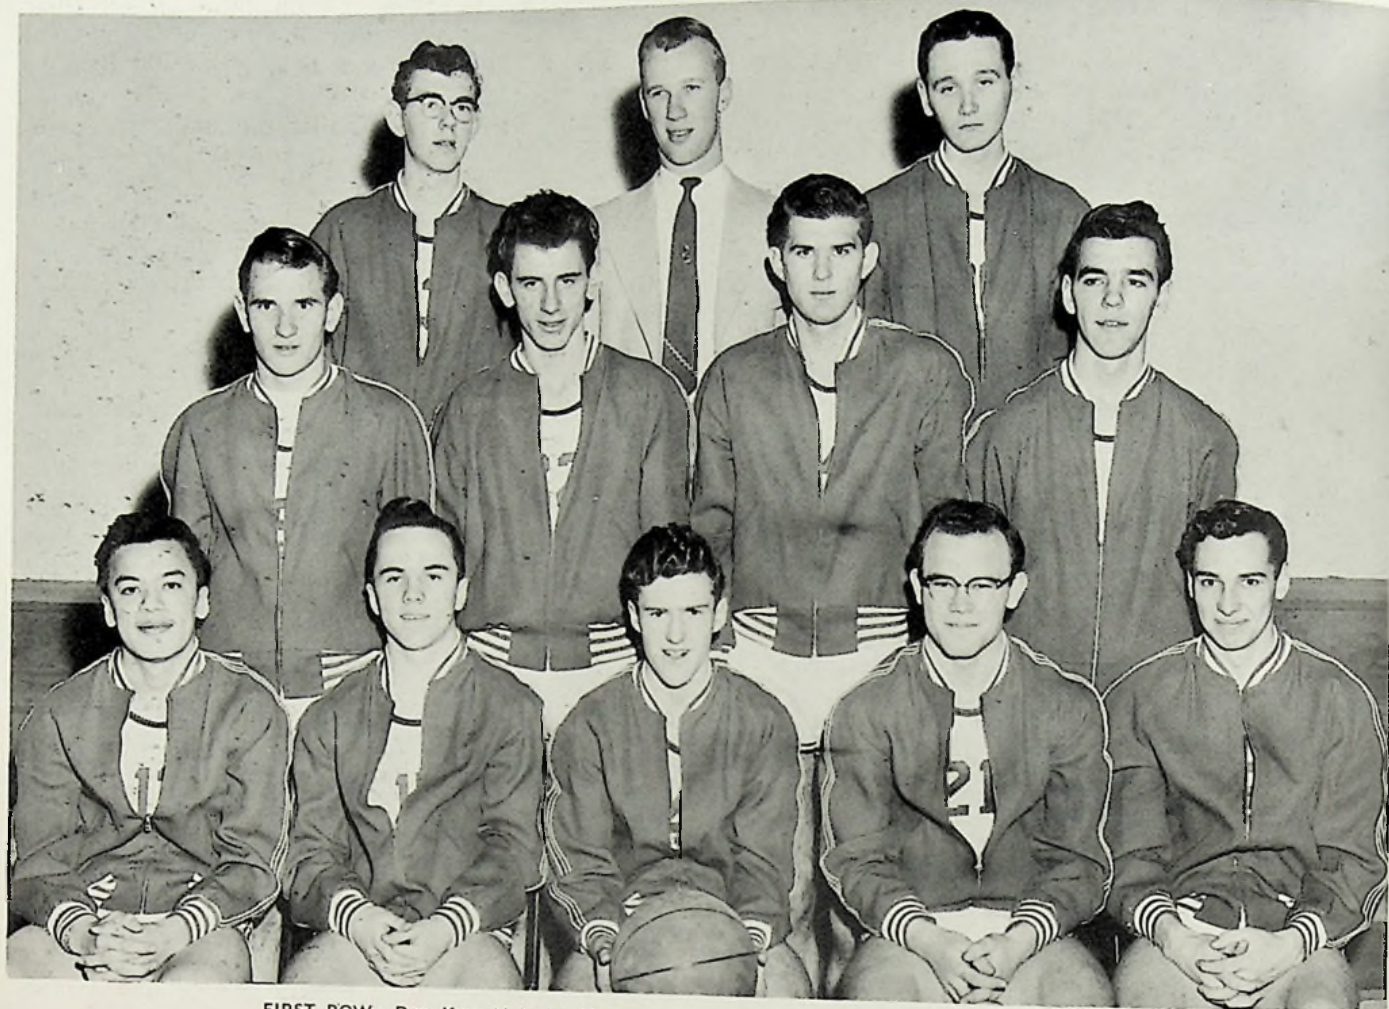

The regular season ended with the Juniors dropping Westglen 14-5. Bob Lindberg and Ted Fredchette notched the majors for Vic while once again Ray Horon booted two converts. Les Radcliffe scored with a safety touch early in the game.

The St. Joe's Juniors had finished in second place and a playoff spot with the victorious Vicite team.

In the final game, the second half of a double-header at Clarke Stadium, Vic won out over the strong Blue and White squad. The first half went scoreless as did the third quarter and the fourth until, with scant minutes left, Garth Worthington crossed the Sep line from ten yards out and put Vic on the scoreboard. Ray Horon followed with the convert and the final score read 6-0.

Congratulations to the boys, Mr. Allen, and Ernie Wynnychuk, and much success in the coming season.

SENIOR BOYS' BASKETBALL

FIRST ROW—Don Kay, Malcolm McKenzie, Don Monroe, Larry Geldart, John Mitchell.
SECOND ROW—Roman Suynchuk, Elmer Brendzan, Eugene Weleschuk, Vic Kondrosky.
THIRD ROW—Joe Bedford, Mr. D. Macintosh, Pete Hasey.

In the year 1954-55 the Vic Senior Basketball team kept up with Vic tradition by winning the Queen Victoria Challenge Cup, which was presented by Victoria High School in 1924 and had been absent from the combined schools of McDougall Commercial and Victoria only three times. The cup is emblematic of Edmonton high school basketball supremacy.

The team was comprised of: Don Munro, Joe Bedford, Eugene Weleschuk, Elmer Brendzen, Don Kay, Vic Kondrosky, Pete Hasey, Larry Geldhart, Roman Swynchuk, Malcolm McKenzie, Dave McLean, and Ron Cummings.

Don Munro, Eugene Weleschuk, Elmer Brendzen, and Ron Cummings were the hold-overs from the 1953-54 Senior Basketball team. Don and Elmer, both in their Grade 11 year, should prove to be as great an asset to the '55-56 team as they were to the team of '54-55. Eugene was in his graduating year when he starred for Vic under the back boards. Ron, also in his last

year, was added to the team during the finals. Prior to this, Ron's other activities prevented him from playing.

Vic Kondrosky, Roman Swynchuk, and Don Kay, all Grade 11 students, were brought up from the Junior White team. Vic was on the starting line-up, as was Don Kay. Roman, although not seeing too much action, proved to be a great help to the team.

Joe Bedford, Pete Hasey, and Larry Geldart came up from the ranks of the Junior Reds. Joe and Pete, two of the big boys on the team, pulled out as well as put in many shots on the basket. Bedford was in the "Big Thirteen" of the league scorers. Larry Geldart played on all round defensive-offensive game throughout the season. Coming from Calgary, Malcolm McKenzie was the only import and a very valuable one at that. Dave McLean, in his Grade 11 year, and first year in high school basketball circles, played with the Junior Whites and the Senior

team alternatively. On some nights he played a full-time game for the junior team and then played intermittently on the senior squad.

The man who held the squad together during the season was Coach Don MacIntosh, more fondly called "Mac", the newest member of the Victoria teaching staff. "Mac", formerly of Calgary, and a member of the U. of A. Golden Bears while he attended the university, and played for the Towne Hallers during the 1954-55 season. A welcome addition to the staff.

Vic's first game was against St. Joe's which was beaten 36-29. The game played at St. Joseph's new gym drew a capacity crowd which in turn received their money's worth as Don Munro sparked his team with long set shots to total up 13 points at the end of the encounter.

The second played was at Victoria Composite gym. This tussle, which matched Scona against Vic, ended in a tight 38-34 decision for Vic. Munro was once again at the top of the scoring ladder along with Joe Bedford. Both boys had 14 points. This game proved to be close all the way with a half-time score of 16-all.

In the new year 1955 and on the seventh of January Vic lost her first game of the season, 32-39, to the strong "dark horse" in the uniforms of Eastglen. As the season progressed the Eastglen team was to beat Vic three times. However, this was one short of attaining a shot at the city title for Eastglen.

Vic's second loss came on January 14 against the favorite—Westglen. The 49-9 score gave little indication of things to follow. Weleschuk made his way to the front in this game by potting 9 of Vic's points.

January 21 saw Vic again find her winning ways as she downed the hapless University squad 56-19. This defeat was nothing spectacular, however, for as you may remember, University had not won a single game in the 1953-54 season and was to go on and lose every game in the 1954-55 season. Weleschuk and Brendzen scored 10 apiece in this game, more than the total University score.

Vic was once more set against St. Joseph's on January 28. An interesting fact of this game was the score—37-29—for Vic. The score of the first game was 36-29 for Vic. At least the teams were consistent.

In Vic's second encounter with the ever strong Scona team on February 4, Coach Don MacIntosh was pacing the floor until the final gun went, with Vic on the heavy end of a 39-37 score. Geldhart continually pulled the team from the fire by scoring 12 points.

Vic slipped in stride on February 11 as Eastglen dropped them 50-35. The Eastenders led Vic all the way and looked like a championship team. The score at half-time was 28-11 for Eastglen.

February 18 was destined to go down in history. The 18th was the day Vic pulled the biggest upset of the season by defeating Westglen 57-54. This was the first game Westglen had lost in twenty starts—the first in two years—and Vic had won! At half-time the score read 22-33 for Vic. Munro scored 16 points that game.

The last official league game on February 25 was play for the strong, now confident Vic squad as they swamped University High 62-32. The first half of the game was closer than the final score indicated. The half-time score was 21-18 for Vic.

At the end of league play, Westglen had finished in first place with 9 wins and 1 loss. Vic was second with 7 and 3, and Eastglen followed with 6 and 4.

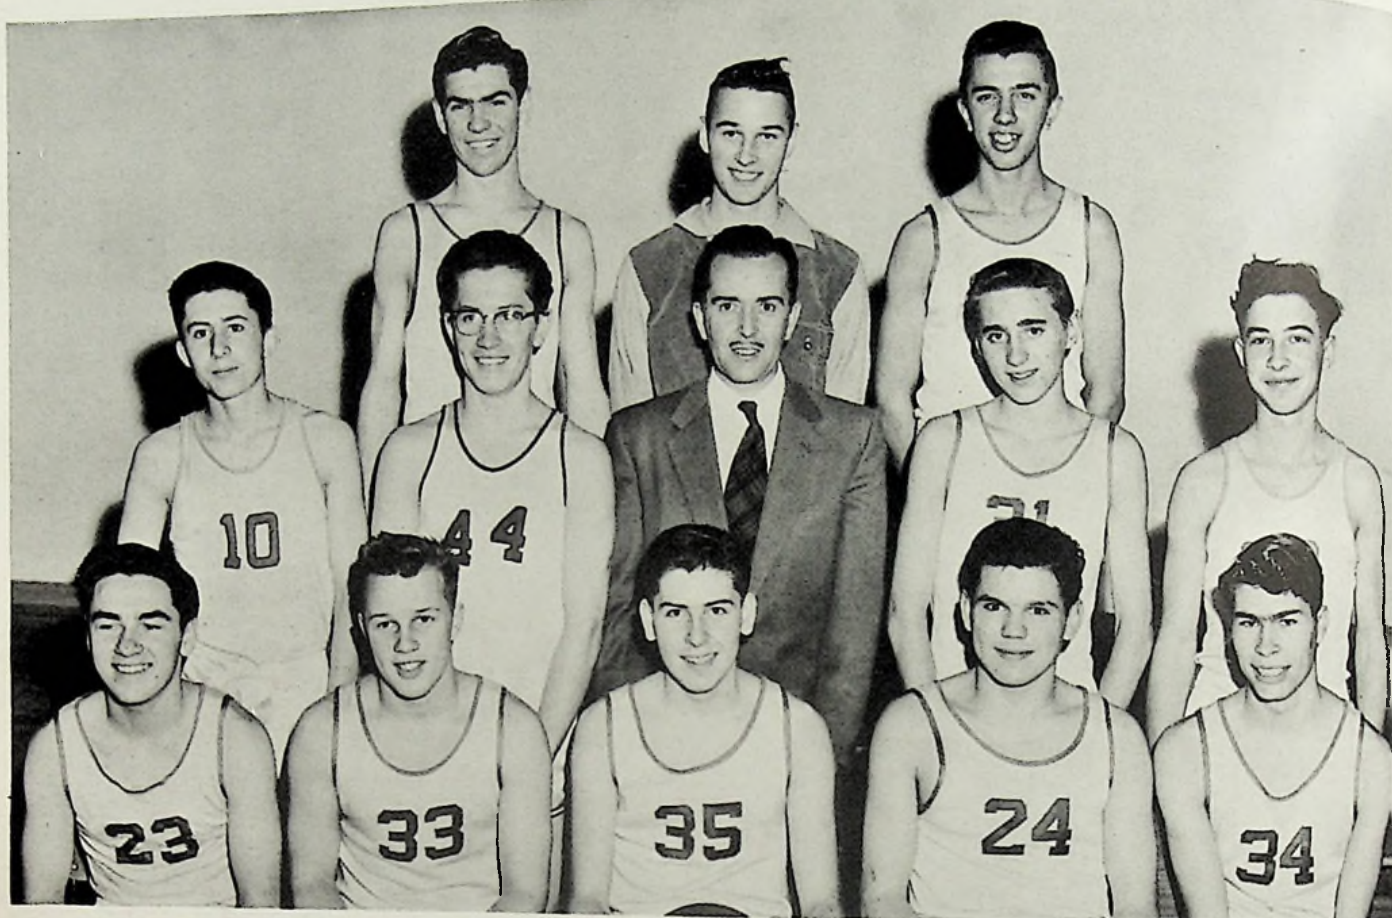

The semi-finals pitted Eastglen against Vic who had a one-game advantage in a best-of-three series. Vic lost the first game 50-44 but on March 9 their bid for the win was answered by a 48-29 victory. In the latter game Bedford probably turned in one of his finest performances as he sank an astronomical 26 points. The win gave Vic the right to play Westglen in the final. This also was a best-of-three series but this time Westglen had the game advantage.

On March 11, in a game played at Vic, Westglen lost 51-36. Munro and Weleschuk were in the spotlight for Vic with 12 points apiece. This game saw a crowd estimated at one thousand pour into the stands and onto the apron of the floor. Later in the dressing rooms one could not help but smile as Westglen's coach Steve Mendryk arrived with a misplaced victory cake. In this game Vic students inaugurated their "Hey, Hey, Take It Away", and "Go, Vic, Go" chants.

The following Wednesday Vic played at Westglen. Only 275 Vic students were allowed into the Westglen stands and as a result a draw had to be made to determine which one of the 450 followers of the team would see the game. This game was a first in that it was the first Edmonton high school game to be broadcast. This was one by CFRN. Needless to say Vic won 53-49. Bedford with 15 was once more Vic's big gun in the close, action-filled game. Vic had dropped behind in the first quarter but managed to pull ahead to take a two-point lead at half-time. Westglen once again surged ahead until Vic finally caught and stifled the Westglen charge. The game tied at three-quarter time again went in Vic's favor in the final three minutes.

For the second time in as many starts Westglen had a victory cake on hand. It was a sportsman-like gesture indeed when the Westglen team presented the cake to the victorious Vic team.

BOYS' BASKETBALL—JR. WHITES

FIRST ROW—Wally Kirk, Bob Lindberg, Howie Starkman, John Schulz, Lloyd McDonald.
SECOND ROW—Jim Kranias, Boris Litwin, E. N. Simbalist, Ron Sawchuk, Eric Schening.
THIRD ROW—Dave McLean, Bob Lazaruk, Wally Shwydsky.

This year, 1954-55, saw the Vic Junior White team, with Mr. E. N. Simbalist and Mr. A. Lust at the helm, come within one game of the league leadership during the season, and again by one game, lose the league championship during the finals to the fast Sepites who, in turn, lost to the favorite Scona team.

In the season opener, December 3, 1954, the Whites lost a close 33-38 decision to the league's newest member Concordia. Vic's luck changed during the next eight games, all of which she won.

During the season, the league title was anyone's, anyone that is, except the subdued University squad. When each team had played all but one of their ten games the Vic Whites and Scona were tied for first place; Concordia, Westglen, and the Vic Reds were tied for second. Eastglen and University followed the pack in that order.

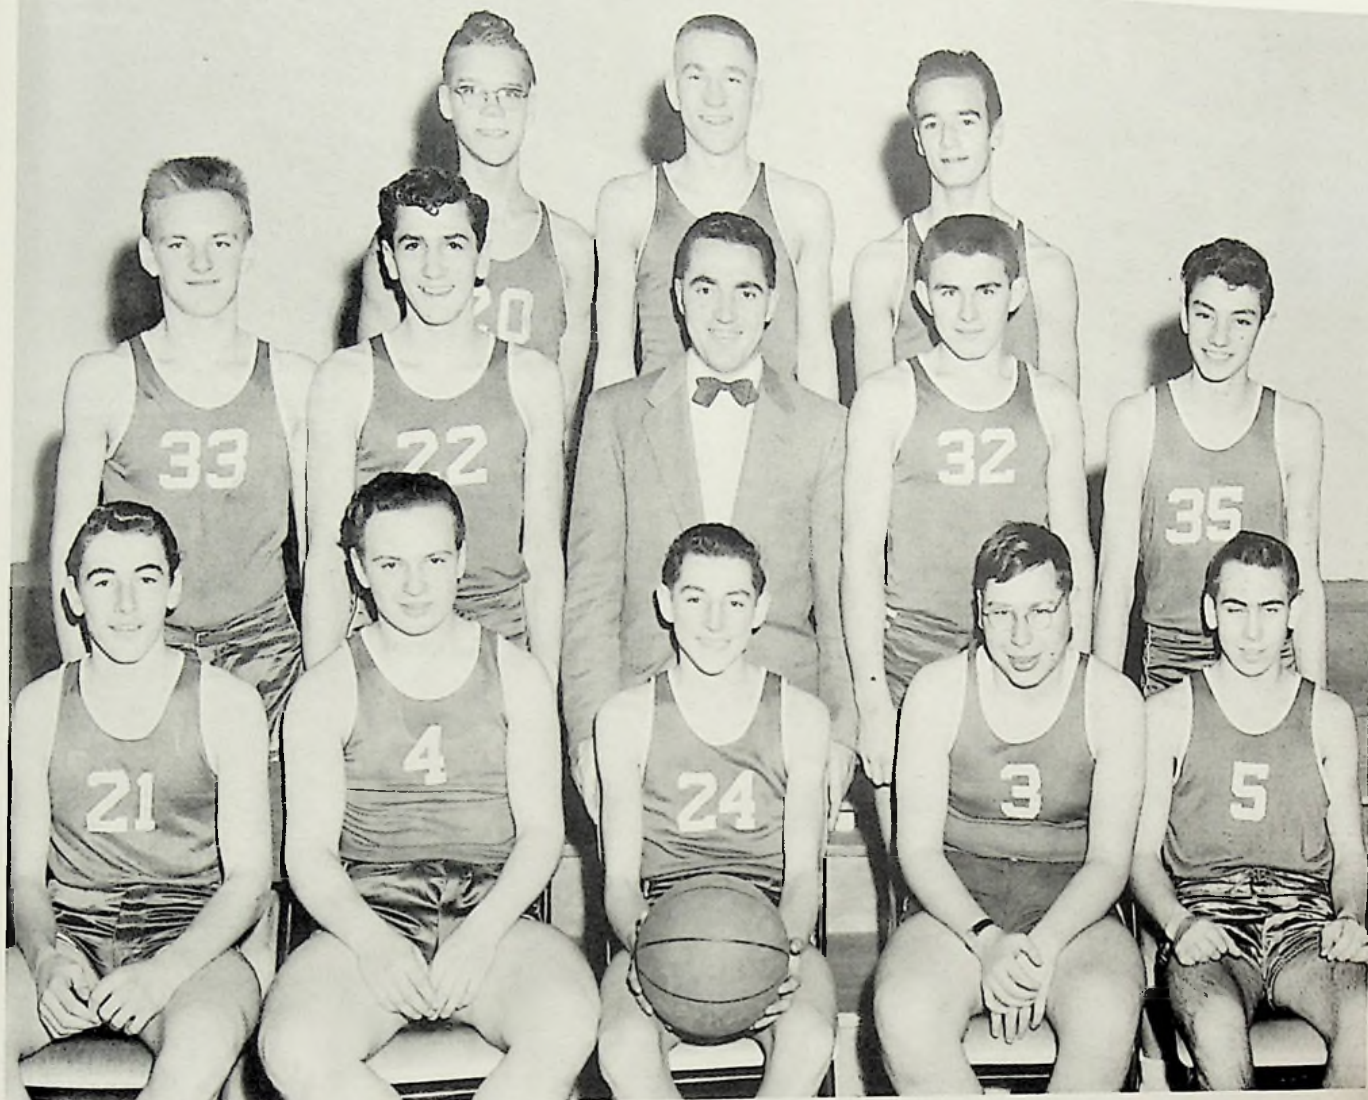

The tenth game proved to be Vic's "Waterloo" as she dropped the game 58-42 to Scona. That was the way the league ended; the Vic

Whites, with 8 wins and 2 losses, one win behind the first place Scona team.

In the playoffs Vic played the second place St. Joseph's team, which was at a one game disadvantage. Playing two games March 4 and 8, Vic lost both to the Separate team—a team which Vic had beaten 39-37 in a previous league game. Sep, showing much vim and vigor, managed to stymie Vic 39-32 and 52-42 to take the best-of-three series two games to one. St. Joe's then met Scona and was defeated by the league leader.

Two of the boys who made the White's season so successful were Dave MacLean, playing for his first time in high school ranks, and Ron Sawchuk, playing his second year with the White contingent. In most of the games either Dave or Ron were the high scorers. Howie Starkman, Don Linberg, and John Schulz were also mainstays as were all the many other memorable players of the Victoria White team of the year 1954-55.

BOYS' BASKETBALL—JR. REDS

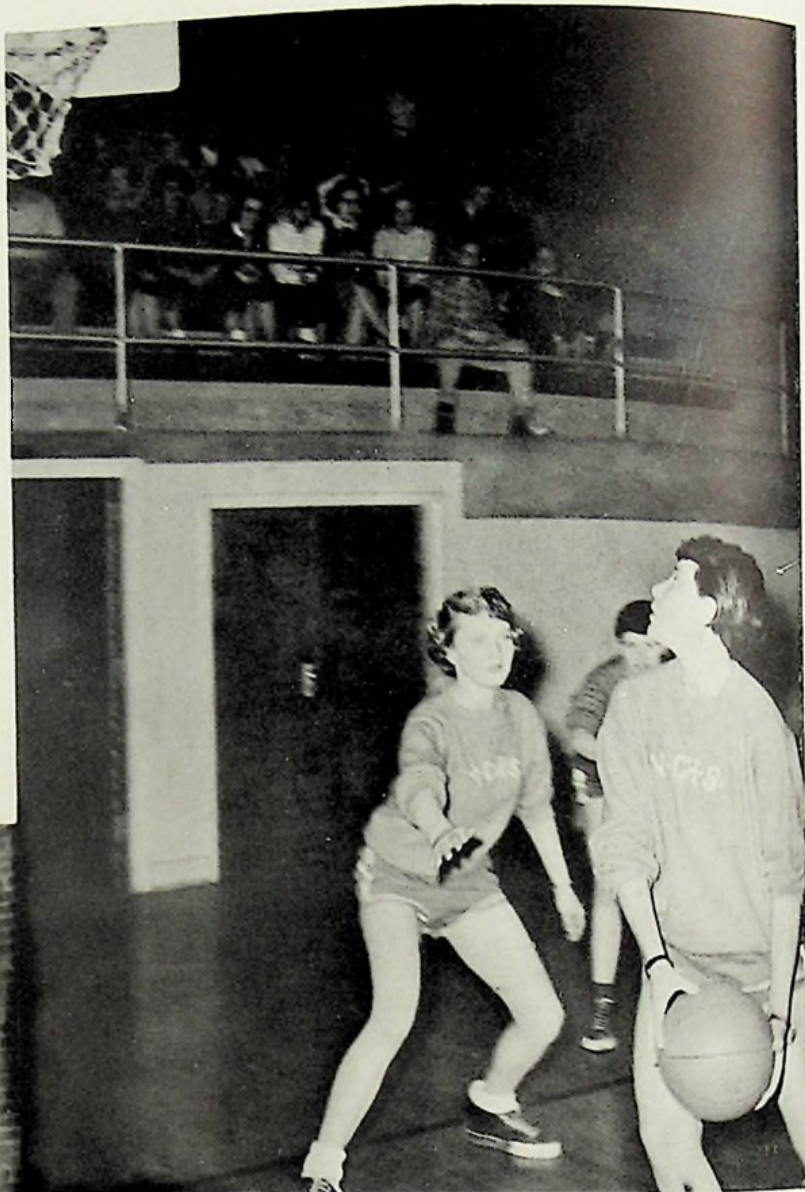

FIRST ROW—Bob Dubak, George Berestovy, Johnny Fee, Ron Bercov, George Bre-Win.
SECOND ROW—Bill Hewko, Gary Day, Mr. Jack Allen, Ted Frechette, Marvin Weisler.
THIRD ROW—Glen Eliason, Erv Zemrau, Ken Burchell.
ABSENT—Roy Finstad.

The Vic Reds, coached by Mr. Jack Allen, finished in sixth place but in true Vic tradition fought valiantly right down to the wire.

Vic won four of her games in the very tight eight-team league. The Red team suppressed Eastglen, Westglen, St. Joe's, and University but could not seem to win the second encounters against the same team. If they had been able to do so they would have been tied with their running mate—the Vic White team.

The Red team, with four holdovers—John Fee, George Berestovy, Ken Burchell, and Er-

win Zemrau—feature much new material also. Many of these newcomers will be valuable assets to the 1955-56 team at Vic. Marvin was possibly the smoothest of these newcomers and was closely followed by George Bre-Win, a dynamo of power, who, although not scoring too many points, had the type of drive and determination that holds a team together. All the team was deserving of congratulation, for the momentous effort put forth for Vic.

GIRLS' BASKETBALL—SR. REDS

LEFT TO RIGHT—Marnie East, Pat Irvine, Ruby Wolyshon, Doreen Wright, Rita Fedun, June McEwan, Marg Carnegie, Roberta Klingspon, Gail Wood, Betty Stanhope, Moira White, and Coach Mrs. Southern.
ABSENT—Rene Raymond.

The "cream of the crop" was picked for the Senior Red team during tryouts held at the beginning of the year. Doing a fine job of coaching the girls was Mrs. R. Southern, who was a former member of the U. of A. Pandas, and the Calgary Wittichens—provincial title holders.

Members of the team were as follows: centres—Betty Stanhope, number 15. Betty came to Vic this year from Scona, where she was a member of the senior team last year. Marnie East, number 23. This is Marnie's second year at Vic. In Grade 10 she played with the Junior Reds, as well as being a member of the Inter-School Swimming Team.

Guards—Marg Carnegie, number 14. Grade 10 and 11 found Marg a member of the Senior Whites. Last year she also played a few exhibition games with the Senior Reds. Rene Raymond, number 22—a Grade 12 student, Rene formerly played on the Junior Whites, last year's City Junior Champs. Roberta Klingspon, number 3. "Trudy" is the girl with the deadly "long shot". She is a former member of the Junior Reds and was leading scorer for her team last year. This year she was also one of the leading scorers for the Reds. Doreen Wright, number 13. Doreen was a member of the Junior Reds in Grade 10, the Senior Whites in Grade 11, and also played in some exhibition games with the Senior Reds last year. Pat Irvine, number 4. This is Pat's first year at Vic. Her Grade 10 basketball was played in Vancouver, she played senior basketball at Nutana Collegiate in Saskatoon.

Forwards—June McEwan, number 43. Although June was the smallest girl on the team, she was one of the high scorers in almost every game. June hails

from McCauley where she learned her basketball before coming to Vic. A member of the Junior Whites in Grade 10, the Senior Whites in Grade 11, and this year with the Senior Reds, June has proved a valuable asset to all the teams she has played on. Rita Fedun, number 11. Last year Rita was a member of the champion Junior Whites. Moira White, number 24. Moira was captain and high scorer of the Junior Reds in Grade 10. Last year she was a centre on the Senior Whites. Ruby Woloshyn, number 12. In Grade 10, Ruby played with the Junior Reds, and last year with the Senior Whites. This year she was hampered by a broken thumb and could not finish the season. Gail Wood, number 3. Gail was the only member of last year's Senior Reds, City Champs. She was captain of the team this year, and formerly played houseleague basketball and with the Senior Whites.

This year the girls had a record of 7 wins and 3 losses in the 10-game schedule. They were runners-up to league-leading Westglen, who defeated them twice. Their other loss was suffered at the hands of St. Joes in the last game of the season. The closest game of the season was played at Vic with Westglen. In the hard-fought contest our girls lost by only three points—30-27. They posted sound wins over Scona and Eastglen, and beat the Whites 35-19. A number of exhibition games were played, including a home-and-home series with Camrose. They also played the Edmonton Jolly Girls.

Some of the girls will be back next year, and with added strength they will be out to regain the city title.

GIRLS' BASKETBALL—SR. WHITES

FIRST ROW—Roberta Warring, Joyce Oliver, Louise Michael.
SECOND ROW—Doreen Shock, Joy Ritchie, Joan Cload, Irene Bendzera, June Jamison, Ellen Jamieson.
CENTRE—Miss R. Anderson.

At the beginning of the season the Senior Whites was composed of twelve girls. This number was cut to nine when three members were forced to drop out for various reasons. The nine who completed the season were: forwards: Joan Cload, number 22. Joan was high scorer for the Whites for the '54 season and also placed near the top this year. June Jamison, number 23. This was June's first year of basketball and she displayed aggressiveness as well as being a good team player. Joy Ritchie, number 14. Joy had the distinction of being the only "southpaw" on the team. She was also a member of the Senior Whites in Grade 11. Doreen Shock, a Grade 10 student. Doreen also filled in as a guard.

Centres: Irene Bendzera, number 33. Irene is up from the Junior Whites with whom she played in Grade 10. Ellen Jamieson, number 24. Ellen is another grade 10 student. She was a very hard worker and improved greatly as the season progressed.

Guards: Roberta Warring, number 3. This was

Roberta's first year on a school team other than a houseleague team. She was very fast and a dependable player. Joyce Oliver, number 44. In Grade 10 Joyce played Junior Whites basketball. She makes up for her size in speed. She is also a good team member with good team spirit. Louise Michael, number 34. This was Louise's first year of high school basketball but she was hampered by a broken arm which kept her out of most of the games.

The three players who dropped off the team were Shirley Martin, Alberta Bayrak, and Marlene Bruner.

In inter-school play the Whites did not fare too well. Their record for the season consisted of one win and nine losses. However, they had many close games in which they lost by a small margin of two or three points.

Exhibition games were played against Camrose, which they won, and against the U. of A. Cubs. For this game the Senior and Junior Whites combined but lost in overtime.

GIRLS' BASKETBALL—JR. WHITES

FIRST ROW—Lorraine Bayzand, Pat Jackson, Sharon Saul, Donalda Robertson, Elaine Waddington, Lil Cook.
SECOND ROW—Betty Thomson, Mae McEwan, Miss R. Anderson, Chris Ruptash, Marlene Huculak.
THIRD ROW—Marilyn Klingspon, Myrtice Duke, Carol McCumber, Rita Nobbs.

This year we have only one girls' basketball team who can proudly say that they are city champs. To this fine team and their coach we say "congratulations on a job well done". Who are the members of this team you may wonder? They are a group of girls all in their first year of highschool. What are their names? First of all there is captain and forward, Lil Cook. If you happen to be at any of the games, you would have seen other members in the person of Carol McCumber, centre; Lorraine Bayzand, forward; Pat Jackson, guard; and Mae McEwan, guard. These girls made up the starting lineup. The rest of the team who also did a fine job are centre, Myrtice Duke; guards, Sharon Saul, Rita Knobbs, and Marilyn Klingspon; and forwards, Betty Thompson, Donalda Robertson, and Chris Ruptash.

And to whom do we owe a great deal of credit for coaching this fine team? Why, Miss Anderson, of course. She put the girls through their paces at their

practices every Tuesday and Friday. This is the second year Miss Anderson has coached a winner. Last year she coached the Senior Reds to the Senior Girls' City title.

What kind of record did our champs have? Well, let me see. They played ten games and won seven. They had three losses, losing only to Westglen, Sep, and Eastglen. University came close to winning the title, but two wins over this team almost assured Vic of the title. University and Eastglen were tied for second place in the league with six wins and four losses.

This is the second straight year Victoria has won the City Junior title., and both times it has been by the Whites. There was no Vic Junior Red team to compete with this year, as it was decided a better team would be produced by having only one.

Congratulations City Champs! We are proud of the sportsman-like way in which you won your crown.

HOUSE LEAGUE EXECUTIVE

FIRST ROW—Ron Bercov, Mike Welykochy, Laurin Haines, Wilf Greaves, Mr. R. H. Routledge, Laurie Niewchas, Dave McLean, John Schulz, Ken Shimizu.
SECOND ROW—George Berestovy, Don Williams, Don Chevrier, Larry Geldart, Warren Hoover, Don Kay, Ed Shatzko, Bill Prystawski, Ron Sawchuk.
THIRD ROW—Erwin Zemrau, Elmer Brendzan, Joe Bedford, Pete Hasey, Vic Kondrosky, Wally Shwydky, Roman Swynchuk.

Vic's houseleague, which gets better every year, enjoyed another successful slate of activities this past term. Originated by Mr. R. H. Routledge, the houseleague, in its sixth year of operation, gave boys a chance to keep up their sporting activities, should they not be able to make a berth on a school team.

Competition was very keen during the year, and by the time the yearbook went to press, House One had taken a lead in total points. That was at the conclusion of the volleyball campaign.

The house football season enjoyed fine weather and ended up in November. House Four captured the honors in the football division. House One won the basketball wars, and the

House Three boys walked away with the volleyball title.

For the third consecutive year a track meet was held among the four houses, and it turned out a great success.

Last year House Two copped the Tom Davies Memorial Trophy, which is emblematic of houseleague supremacy. The trophy is presented to the house which has the largest number of points at the end of the season.

Captains of the houseleague teams are Ron Bercov, House One; Wilf Greaves, House Two; Laurie Niewchas, House Three; and John Schulz, House Four. Mr. R. H. Routledge is the official advisor.

GIRLS' ATHLETIC COUNCIL

FIRST ROW—Kay Upright, Gail Wood, Wendy Foster, Betty Stanhope, Shanie Bierenbaum, Roberta Klingspon.
 SECOND ROW—Jean Armstrong, Doris Lopushinsky, Virginia Brown, Mrs. Southern, Miss Anderson, Amelia Radomsky, Joyce Oliver, Pat Jackson.
 THIRD ROW—Kay Lopka, Sharon Saul, Doreen Shock, Marnie East, Irene Bendzera, Sue Hennessey, Ann Daviduk.
 FOURTH ROW—Ruth Loucks, Ruth Christensen, Florence Radzick, Lil Cook, Frances Nordlie, Alice Feica.

The representatives on the Girls' Athletic Council pictured above were elected from Grade 10, 11 and 12 register rooms.

This year, girls' intramural and inter-scholastic sports reached an all-time high with the Senior Red Basketball team placing second in the intercity basketball, the Junior Whites placing first in their circuit, the Senior and Junior Volleyball teams taking first place in the tournament, the houseleague volleyball team placing second in their tournament plus the winners of the various houseleagues sport teams which won their various competitions. Credit is due to the capable supervision of Miss R. Anderson

and Mrs. R. Southern aided by the intramural directors and members of the sports council.

This year, Wendy Foster was president of the Council.

The main function of the sports council was to appoint intramural directors for the basketball, volleyball, and softball in addition to legislating on houseleague rules, playing time, eligibility in each sport and the length and type of schedule.

Each representative on the council was responsible for publicizing intramural activities, organizing and entering teams from their rooms in each activity.

Curling, at Vic, is becoming increasingly more popular. This was particularly true at V.C.H.S. during the year 1954-55. As proof of this statement the curling club attracted forty-eight members of all grades and from the ranks of both boys and girls. The club opened officially in December 1954, with Mr. E. Garlough and Mr. E. Nepstad as advisors. Mr. Garlough and Mr. Nepstad were, on occasion, ably assisted by their wives.

The club, with Ricky James as president, and Marg Holland as secretary, met every Tuesday from four to six o'clock at the Alberta Avenue Curling Club. During the season the twelve teams played a round-robin which classed them from first to twelfth spot. The group was then divided into two sections. "A" section constituted the top six teams, and "B" section the lower six. "A" and "B" then played a round-robin within their respective sections to determine a winner. The winner of "A" then played the winner of the "B" section to determine the champion of the V.C.H.S. Curling Club of '54-55.

The club had ample representation in most of the high school curling bonspiels: The Irving Kline, The Taylor and Pearson, The Corner Drug, and The Jalopy 'Spiel, at Devon. This spiel was the most colorful of all the high school bonspiels. Held from the 11-14 of April, the competition was limited to high school students only.

Denny St. Laurent skipped the Vic entry and threw third rock; Jim Denington played third

and threw last rock; Ted Daynes threw second rock; and Gary Pollard was lead.

The bonspiel was sponsored entirely by the Devon High School and rinks from all over Alberta—48 in number—participated. The first prize was taken by the Vic foursome, who proudly became the owners of four cars ranging in age from 1940 to 1947. Second prize of sports jackets went to the rink from Cold Lake, while third prize was taken by the hometown Devon rink contingent who received cameras.

The second night of competition set the scene for a banquet prepared by the Devon High School, with all rinks as guests and several notable locals present. Special guests were the deputy mayor of Devon, the vice-president of Imperial Oil, of Devon, and the principal of Devon High was master of ceremonies.

Vic won seven straight games, the most exciting of which was the bout with Camrose. Vic was up four in the fifth end but Camrose crept up to make the score 8-8 going into the eighth. Camrose was laying two in the ninth but Jim Denington with last rock blanked the end. The tenth end had Camrose laying four but Jim, one again with last rock, drew one to the button and won the game 9-8.

In the final game Vic played Cold Lake in an encounter that started at 1:20 in the morning. By the ninth end the St. Laurent rink was up eight and the Cold Lake foursome forfeited the game 10-2.

SENIOR CHEERLEADERS

FIRST ROW—Dolores Levi, Vickie Gawreluck.

SECOND ROW—Pat Fitzsimmons, Ann Kirk, Grace Churchill, Wendy Foster, Zoria Lytwyn, Pat Willson, Eunice Westling.

THIRD ROW—Connie Dahl, Gloria Green, Jo-Ann Dahl, Donna Woods, Marjorie Clark, Lenore White, Edith Neal.

ABSENT—Beverly Ballah, Pat Jones.

JUNIOR CHEERLEADERS

FIRST ROW—Myrtle Snow, Maureen Martin, Lorne Jauridson, Kay Upright, Wendy Foster, Virginia Brown, Bonnie Foster, Jenny Kuchaba.

SECOND ROW—Betty Sorokan, Devine McDonald, Arlene Petaske, Barbara Thornton, Lorraine Bayzand, Pat Buttner, Marilyn Muir.

This year's cheerleaders with Mr. Ross as advisor, have proved the best ever. In September of 1954, Miss Vicky was elected captain of the sixteen enthusiasts chosen for the Senior Cheering Squad. Practices began as soon as the Junior Cheerleaders were initiated into the much-coveted ranks. Headed by Miss Bev Ballah and Wendy Foster, the two groups began their strenuous practices at 11:35 every day in front of Commercial or in the Red gym. The cheerleaders did an excellent job of bolstering spirits at all high school football games and the Juniors made their appearance when the junior football team played off for the city championship.

The outfits followed the pattern of previous years, consisting of white skirts, white collared blouses, Vic sweaters, bobbysocks and saddleshoes, topped with small hats and white gloves.

With basketball season same the new cheering squad composed of five pretty girls, donned in short white skirts and red V-neck sweaters. These girls were considered one of the best cheering squads in the city, and credit is due to them for the wholehearted support at the games.

**FOR OUTSTANDING SERVICE
TO THEIR SCHOOL**

ESTABLISHED IN 1953 BY THE STAFF
AND THE STUDENTS' UNION, THIS AWARD,
COMMEMORATING THE SERVICE OF THESE
TWO PRINCIPALS, IS GIVEN ANNUALLY TO
THE STUDENTS WHO HAVE MADE THE MOST
OUTSTANDING CONTRIBUTION TO THE SCHOOL.

Doreen Wright

Rod Morgan

The Quill and Scroll, the highest award obtainable by any student working for the Argosy, is given to the two students who have contributed the most to the publishing of the Argosy and the Yearbook during their high school years.

Doreen Wright was a new member on the Argosy staff this year. She took over the job as Editor-in-Chief of the Yearbook, handling editorship and layouts of this year's edition. Doreen's first work with a paper came in the way of write-ups for the journal. Her good work will be credited to the success of this year's book.

Rod Morgan, Editor-in-Chief of this year's Argosy, held various positions before taking over this year's paper. Rod was Editor-in-Chief of the Teener, Editor of the Redskin, and a compositor for the Edmonton Journal. His excellent ability was responsible for the success of this year's Argosy.

Both the above students are completing their Grade 12 this year and we owe them much for the time and effort that they gave to make the 1955 publications in Victoria Composite High the success that they proved to be. These students are worthy of the above award.

VIC AWARDS

Victoria Composite High School's award system as set out in 1952-53, recognizes those students who have achieved outstanding leadership in both academic and extra-curricular work. The highest awards in the school are the Citizenship Awards. The C. O. Hicks award for boys and the J. P. Page award for girls are awarded to two Grade XII students on the basis of their services to the school during their high school careers. The awards include academic, athletic and extra-curricular work.

The academic awards are given for outstanding achievement in curricular work. The Major Academic Award, of which there are ten to each of the three grades, is awarded to those students having obtained an average of seventy percent or more.

The Tom Davies Memorial Trophy is awarded to the boys of the intramural sports group obtaining the highest number of "trophy points", as allocated in the awards system. This trophy includes all organized houseleague competitions.

The Athletic Major Award recognizes those players of outstanding ability who have played on teams in inter-scholastic competition. It is a white block "V", six inches high, worn on the letter sweater. The Athletic Minor, a four-inch white block "V", is for those players on an inter-scholastic team who have been outstanding players and have not won the Major.

The Activities Awards, Major and Minor, are considered as special awards for outstanding achievement in extra-curricular activities, including both cultural and athletic activities. The Major Award includes activities such as lead parts of high calibre in plays, orchestra work and other such activities. Outstanding work on any publications and administrative work connected with the Students' Council, houseleague, and club activities involving inter-scholastic participation are also included.

The Activities Minor Award is intended to give recognition to students of exceptional value in any of the various clubs.

PUBLIC SPEAKING AND DEBATING CLUB

Adviser, Mr. Brown; Bernard Adell, winner of the Jewish Women's Cup for the most valuable member; Morton Brown, winner of the Birks Shield for Public Speaking; Ron Bercov, who shared the O. Henry Award for debating with Morton Brown.

The first meeting of the Public Speaking and Debating Club was held on October 31 at 12:00 noon in Room 107, under the advisorship of Mr. Brown. The executive for 1954-55 were Morton Brown, president; Karen Hansen vice-president; Jan Learmonth, secretary. Meetings were subsequently held every Friday at 12:00 in Room 107. During the year eight debates, five public speeches, and three discussions were held. Immediately after Christmas the members had their voices recorded and played back. Criticisms were then made. This proved very successful. On February 18, Professor Davy of the U. of A., speaking on Human Rights, addressed an open meeting of the club in Room 230. About 70 people attended the open meeting. After Christmas recess, the club concentrated on the Public Speaking and Debating semi-finals and finals. Participation was numer-

ically satisfactory and competition was keen. The winner of the Birks Shield (Public Speaking) was Morton Brown. The Mayor Henry Shield (Debating), Ron Bercov and Morton Brown. The Jewish Women's Club (Most Valuable Member), Bernie Adell. Judging the Debates and Public Speeches were Mr. Nepstad, Mr. Colter, Mr. Craig, Howie Starkman, Ann Fairbairn, and Don Ferrier. The club advisor, Mr. Brown, was chairman. Membership in the club was 17 active members. Topics for the debates ranged from "Resolved that bookmaking be legalized" to "Resolved that U.S. Formosan policy is con—to peace." Public speeches ranged from the Colombo Plan to Mercy Killing. The club had a very successful term and all members gained invaluable training. The prospects for next year are extremely promising.
